McFarland Co. Awarded Contract For Henry Street Resurfacing

Customary Grant Made To Fair Board — Police Chief C. E. Hicks Asks For Radio

The monthly meeting of Stirling Village Council was held on Tuesday evening, with Reeve D. W. Rodgers presiding. He was supported by Councillors Robt. Anderson, Maurice Faulkner, Bruce Glendinning and Robt. Hulin.

The following correspondence was read by Clerk W. L. Pollock:

Department of Agriculture, approval By-Law 669-65; Department of Municipal Affairs, disposition of early records; The Attorney General, Emergency Measures Act; Board of Transport Commissioners of Canada, approval of crossing flashers; Hisey and Barrington, letter to O.W.R.C.; The Stirling Agricultural Society, grant to Fair; Stirling-Rawdon High School Board, July meeting; Charles E. Hicks, monthly report.

In the business arising from the correspondence approval was given from the Ontario Department of Agriculture of the Dutch Elm Disease By-Law as passed by Council. The letter from the Department of Municipal Affairs stated that from now on approval to destroy old records would be granted by the Municipal Auditor, instead of from the Dept. of Municipal Affairs. Reeve Rodgers suggested that old minute books and obsolete by-laws might be deposited in the local Library for the perusal of citizens.

Agricultural Society Given Grant

R. E. Shortt, Secretary of the Stirling Agricultural Society, wrote requesting the usual grant of $125.00 for the support of the annual Fall Fair. On a motion of Hulin and Anderson his request was granted.

Henry Street Contract Let

H. J. McFarland Co., the lowest tender, was awarded the contract for resurfacing a portion of Henry Street from the bridge south to Elizabeth Street. The tendered price was $8.50 a ton for asphalt; 26½c per gallon for oil; and $6.00 per ton for ⅜" rock. A tender was also submitted from Hastings Asphalt Ltd., Belleville. The work will conform to Department of Highway standards.

Police Dept.

The monthly report submitted by Police Chief C. E. Hicks was received on motion of Robt. Hulin and Maurice Faulkner.

Police Chief Hicks will also be granted holiday pay, in lieu of his annual vacation, which will mean that the Village will have continuous police protection this summer. This motion was made by Councillors M. Faulkner and B. Glendinning.

The Police Chief also requested Council to consider the purchase of a two-way radio hook-up, which he could use from his car. Council looked with favour on this matter and requested Councillor Glendinning to look into the matter and report at the next meeting of Council.

It was also brought to the attention of Council by Mr. J. B. Belshaw that some culprits had torn two flower boxes off the bridge and had thrown them into the creek. Chief Hicks is investigating this incident and it is hoped that these vandals will be brought to justice.

The town workmen were instructed to cut some dead trees in Coronation Park on No. 14 Highway.

Mr. and Mrs. Ed. Colden Honoured

Congratulations are extended to Mr. and Mrs. Ed. Colden, Minto, who celebrated their fortieth wedding anniversary on Thursday, July 29th.

Their family, including Mr. and Mrs. Carman Colden and daughters, of Spring Brook; Mr. and Mrs. John Myall and daughters, of Peterborough; Mr. and Mrs. Roy Finch and Pamela, of Oshawa; Mr. and Mrs. Ted Colden and family, of Toronto; Mr. Colden's mother, Mrs. B. Colden; his sister's, Mrs. Jerry Hurley and Mr. Hurley, and Mrs. J. McCarey and Mr. McCary, all of Belleville, spent Sunday afternoon and evening at the Colden home.

Following a sumptuous dinner at six, Mr. John Myall acted as master of ceremonies, and on behalf of the family, presented Ed and Leatha with a purse as well as some personal gifts. The bride and groom of forty years most appropriately expressed thanks and appreciation to the family for a very memorable anniversary.

Mrs. A. E. Good Dies In Hospital

A resident of Stirling for 29 years, Mrs. Ann Eliza Good, died Saturday, July 24th, at the Belleville General Hospital after a short illness. She was in her 87th year.

Born in the township of Goulbourn, the daughter of the late Mr. and Mrs. Thomas and Jane Lewis, she was educated at Kars, Ontario, and lived at Wiarton, and Kenmore before coming to Stirling. Mrs. Good was a member of St. Paul's United Church, Stirling, and belonged to the United Church Women.

Predeceased by her husband, Albert Ernest Good, she is survived by one son, John L. Good, of Stirling; two grandchildren, Mrs. David (Roberta) Vice, of Ottawa, and Mrs. Robert (Janet Anne) Palmer, also of Ottawa; five great-grandchildren, and one brother, Frank H. Lewis, of Kemptville.

Funeral services were held from Duffin Funeral Home to St. Paul's United Church in Stirling, on Tuesday evening, July 27th. Rev. J. M. D. McLeod, of Marmora, officiated and Mr. and Mrs. Grant Richardson rendered a vocal duet.

Bearers were: Cecil Macklin, James Palmer, Harold Wells, Robert Cooke, Gilbert Finkle and Douglas Patterson.

A committal service was held Wednesday morning at Spring Hill cemetery, near Metcalfe, with Rev. Vernon Bell, of Kenmore, officiating. Approximately 60 relatives and former neighbours attended.

Engagement

Mr. and Mrs. Glenn F. Morrow, Stirling, Ontario, are pleased to announce the engagement of their eldest daughter, Helen Isabel, to Mr. Garry Albert Wright, son of Mrs. George Haggerty, Stirling, and the late Mr. Albert Wright. The marriage will take place on Saturday, August 28th, 1965, at 11 a.m. in St. John's Anglican Church, Stirling. 30-1p

Legion Pee Wees In Semi-Finals Of Hastings Tourney

The Stirling Legion Pee Wee All-Stars won their first game at Hastings on Civic Holiday defeating a Kingston team by the score of 16-1.

Robert Cooke and Gord Spencer had a no-hitter going for them until the last inning. Cooke also featured with a home run and all other players played well with fine plays being made by Don Campbell at third base and Don Andrews at second base.

Semi-Finals End In Tie

In the semi-finals Stirling Legion were playing against Newmarket with the score tied 1-1 when the game and the tournament had to be cancelled because of rain.

To Be Completed This Sunday

The completion of the Stirling-Newmarket game and the tournament finals will be played in Hastings next Sunday.

The Newmarket team had previously defeated Marmora IGA by a score of 1-0. The Marmora team was also made up of Stirling and district Legion Pee Wee players from Marmora, Spring Brook and Rylstone.

Other teams in the tournament besides Stirling Legion, Marmora IGA, Kingston and Newmarket were Hastings-Norwood combines, Belleville and Cobourg Legion. One Kingston team failed to show up, probably due to the inclement weather.

Stirling Legion All-Stars were: Greg Dafoe, catcher; Robert Cooke, pitcher; Pete Utman, 1st base; Ron Andrews, 2nd base; Don Campbell, 3rd base; Ricky Wright, short stop; Gord Spencer, left field and pitcher; Steve Bedard, centre field; Mike Hunter, right field; Deryl Anderson, spare. Coaches, Bob Anderson and Bert Bastedo.

Entertain At Bridal Shower

Recently a miscellaneous bridal shower was held for Miss Judy Robson, of Belleville, at the home of Mrs. Clarke Rodgers, Mill St., Stirling.

Contests and games were enjoyed by the guests. From a prettily-decorated chair, under a pink umbrella and streamers, the bride-to-be received many useful and beautiful gifts.

A buffet luncheon was served by Mrs. Rodgers, assisted by her daughter, Mrs. David Buckler.

Rev. W. C. Cox, B.A., B.D., Inducted On Rawdon United Church Charge

Service Held On July 29th At Bethel Church — Conducted by Rev. D. Potter

On Thursday evening, July 29th, Rev. W. Sedgwick, of Queensboro, and Rev. D. W. Potter, Madoc, represented Belleville Presbytery and conducted an induction service for Rev. Wilbert C. Cox, B.A., B.D., of Arden, Ontario, who will assume the pastorate of Rawdon Charge with three appointments, Bethel, Wellman's and Mount Pleasant.

Rev. Wilbert C. Cox was ordained to the ministry in June of this year and he was married on July 10th.

The service was held in Bethel United Church and the central decoration was a large basket of mixed colourful summer blooms. Approximately ninety adults were in attendance from the three appointments and there were visitors from Arden, Mountain Grove, Kingston and Spring Brook.

Mrs. Harold Elliott was pianist and during the service, Mrs. Thomas Sarles rendered a vocal selection, "Your Best Friend".

Special hymns and Bible lessons were used throughout the service.

Messrs. Edgar McKeown and William Heath were the ushers and gathered the offering to defray expenses.

Rev. D. W. Potter gave an inspirational message, outlining the various duties of minister, elders and ordinary folk in the congregation. He stressed that ministers should not be expected to spend their time doing unimportant duties on the charge. He closed with an appropriate poem on "The Beauty of Thy Peace".

Following the Induction Service, Rev. and Mrs. Cox were introduced to the group individually.

A fellowship hour followed in the Church Hall, when Mrs. Donald Heath, President of Bethel United Church Women, and several other ladies served refreshments and all enjoyed a social half hour.

Two Injured In Car Crash

A West Huntingdon man and his grandson were in satisfactory condition Thursday after their car was wrecked in collison with a dump truck on the Madoc County Road near Halloway.

Harry Holden, about 60, suffered back injuries and shock, while nine-ear-old Mervin Maxwell, R.R. 2, Napanee, received leg injuries.

They were taken to Belleville General Hospital after their car was struck broadside by the truck, driven by George Hewton, Consecon, carrying a load of hot asphalt. Scene of the mishap was the intersection of the Ridge Road.

Stirling and District Legion Pee Wee Softball League

The local Pee Wee League finished the regular schedule with the first five teams bunched closely and three of the five teams tied for third place.

Final standings:

Team	Won	Lost	Pts.
Rylstone	9	3	18
Spring Brook	8	4	16
Glen Ross	7	5	14
Marmora IGA	7	5	14
Stirling Legion	7	5	14
Marmora Stetsons	2	9	4
Stirling Rotary	1	10	2

Arrangements for playoffs have to be delayed now until 3rd and 4th position can be settled and it would seem that a round-robin series will be necessary.

Descendants of Pioneer Nehemiah Hubble, U.E.L., Hold Reunion

(By Mrs. Percy MacMullen)

Fifty-five descendants of the late pioneer Nehemiah Hubble, of Hubble Hill, Mount Pleasant Rawdon, a United Empire Loyalist, gathered on Sunday, July 25th in Frankford Community Hall for the 16th Annual Hubble Re-union.

Relatives were in attendance from Toronto, Collins Bay, Marmora, Stirling, Harold, Carmel, Frankford, Glen Ross, Wooler, Stockdale, Foxboro, Norwood and Hastings.

Mrs. Percy MacMullen President

Previous to the dinner the President, Mrs. Percy MacMullen, gave the invocation and extended a welcome to all.

Following the repast the twenty-five children in attendance enjoyed games on the lawn. These were in charge of Sid Demorest and Burton Hubble. Each child received a gift of confectionery and balloons.

The collection was gathered by Burton Hubble at the noon hour and amounted to $16.50. Most of this was used for rental for the hall, postage on invitations and the usual gifts for adults and children.

Awards Presented

Mrs. Sid Demorest, Marmora, purchased and wrapped the gifts. They were distributed by the President as follows:

Largest family present (mother, father and children) — Mr. and Mrs. Burton Hubble, Belleville, and seven children.

Family who travelled the farthest — Mr. and Mrs. Paul Houde, Coe Hill Drive, Toronto. Over one hundred miles.

Youngest Child — Roseanne Hubel, born in June 1965, daughter of Mr. and Mrs. Glenn Hubel, Stirling RR 3.

Youngest Married Couple — Mr. and Mrs. Tony Aide, Stirling. Married May 1965.

Oldest Married Couple — Mr. and Mrs. Ross Hubble, Wooler. Married fifty-three years.

Most Grandchildren in Attendance — Mr. and Mrs. Clifford Hubble, of Glen Ross, with ten of their grandchildren.

Business Period

The President conducted the business meeting and Mrs. Arthur Pyear acted as secretary pro tem.

A period of silence was observed in memory of Mrs. Lorne Hubble, Stockdale, wife of the founder of the reunions; Mrs. Sandford Hubble, Belleville, and all other deceased members of the clan and she read a poem in their memory.

Mrs. MacMullen extended thanks to Mrs. Arthur Pyear for her part in mailing one hundred invitations.

She reported that Mrs. Stanley Irvin, River Valley, had telephoned greetings and that Mr. and Mrs. Bruce Chatterson, Brighton R.R. 4, had visited Hubble Hill Pioneer Cemetery on May 24th. Mrs. Chatterson was the former Christine Hubble, daughter of Richard Hubble and granddaughter of James Hubble.

Mrs. Cecil Hubble, Foxboro, read the minutes as prepared by Mrs. Russell Pyear, Belleville, and gave the financial report.

Officers Elected

The following officers were elected:

President, Mrs. Percy MacMullen, Stirling R.R. 3; Vice-President, Mr. Clinton Hubble, Collins Bay R.R. 3; Secretary-Treasurer, Mrs. Russell Pyear, 19 Strathcona Drive, Belleville; Corresponding Secretary, Mrs. Arthur Pyear, of Frankford R.R. 3; Sports Committee, Burton Hubble, of R.R. 5 Belleville, and Tony Aide, of Stirling.

The 1966 re-union will be held in Frankford Community Hall on the fourth Sunday in July.

Cards of greeting will be forwarded to Edward Montgomery at Hastings County Manor and Sandford Hubble, Belleville, as they attended the re-unions when health permitted.

History of Clan

The historian, Mrs. Percy MacMullen, gave a brief history of the clan. She said, in part: On June 16th, 1784, a small band of United Empire Loyalists, under the leadership of Major Peter Van Alstine, landed at Adolphustown which is known as Hagerman's Point. They arrived in a small bateaux and several of the group settled in that area and it has been called the Plymouth Rock of Ontario.

Nehemiah Hubble and either a brother or a cousin had previously resided in Ballstown, New York, and they decided to try their luck in a new land. In some manner they travelled from Adolphustown to the wilderness at Hubble Hill in Rawdon Township which is now called Mount Pleasant. Here they built a small shack to live in. That autumn Nehemiah returned to the United States and in 1785 he brought his wife, the former Lucinda Welton and his family to Hubble Hill and built a log home. Nehemiah and his wife lived and died in that area and they were laid to rest without a tombstone to mark their graves.

Eighty-five years later in 1870 Hubble Hill Pioneer Cemetery was dedicated to the memory of the United Empire Loyalists and their survivors. The first burial in 1870 was a Mr. Chard from Chard's Bridge.

Nehemiah's second son, Elijah Allan, married Fanny Chard and the sixth, seventh and eighth generations of his family attend the reunions annually. They represent Big Myer, Peter, Reuben and Huldah. Huldah married James Wescott and they are laid to rest in Hubble Hill Pioneer Cemetery and are great grandparents of the Historian.

The balance of the afternoon was spent reminiscing and about 4.30 in the afternoon the group dispersed following an enjoyable get-to-gether.

MacLean -- McCurdy Wedding, Belleville

Standards of flowers flanked the altar of Christ Church, Belleville, for the marriage of Pauline Gladys Gwendolyn McCurdy, Toronto, and Douglas Edward MacLean, of Hamilton, on July 24th, 1965 at 12.30 p.m. The bride is the daughter of Mr. and Mrs. Delbert W. McCurdy, Stirling, and the bridegroom is the son of Mrs. MacLean and the late Lt. Col. Frederick J. MacLean.

Canon R. Wright and Rev. A. Lauder performed the wedding ceremony and the organist was Mrs. Brown.

The bride, given in marriage by her father, wore a white gown with a bodice of French bridal rose lace over Swiss Tunisa, with wide oval appliqued neckline, and a floor-length skirt of Swiss Tunisa joined at the natural waistline with an inverted pleat flowing into a train. Her bouffant finger tip veil of French silk tulle fell from a circlet covered with matching French lace and she carried a bouquet of white orchids, stephanotis and trailing ivy.

The attendants, Mrs. Bernice O'Neil, Foxboro, as matron of honor and Mrs. Margaret Howard, Toronto, as bridesmaid, were attired alike in full length powder blue cotton brocade dresses with bell skirts and short sleeved jackets. They wore headdresses of matching bows with patterned tulle attached, and carried crescent bouquets of white Shasta daisies.

Mr. Garry MacLean, Ottawa, attended the bridegroom and Mr. Reg McCurdy, Belleville, and Mr. Peter Howard, Toronto, ushered the guests.

The reception was held at the Sun Valley Motor Inn, Belleville. Mrs. McCurdy wore a dress of powder blue lace over taffeta with beige accessories and a corsage of pink Sweetheart roses.

The bridegroom's mother, Mrs. MacLean, wore a champagne beige crepe sheath dress with ribboned bodice and matching accessories and a Talisman rose corsage.

For her wedding trip to Lake of the Woods and Winnipeg the bride chose an A-line dress and jacket of peach pink Swiss Tunisa with a matching pink hat, white accessories and a white Shasta daisy corsage.

Guests were present from Toronto, Stirling, Kingston, Kitchener, Ottawa, Bloomfield, Hamilton and London.

Before her marriage the Dental Faculty, University of Toronto, honored the bride with a miscellaneous shower. Mrs. Don Fargey and Mrs. Keith Wood entertained at a miscellaneous shower for the bride and the staff of the Ashman Company of Dundas made a presentation to the bridegroom.

Mr. and Mrs. MacLean will live at 160 Hughson Street, Hamilton.

Farmers' Union Hold Lawn Social

Spring Brook Farmers' Union, Local 171, held their second annual lawn social Wednesday, July 14th at Spring Brook Recreation Centre.

The evening was off to a big start as Spring Brook and Stirling Pee Wee ball teams battled out a score of 8 to 6 in favour of the visitors.

Strawberries and ice cream were served as well as pie and coffee.

For the children the main attraction was the fish pond which was continually surrounded until it closed.

The women shopped at a sewing and white elephant table as well as a bake table.

There were about 200 men, women and children in attendance. It proved a most enjoyable evening.

Quick Can. Quiz

1. In what year did the daredevil Blondin first cross the Niagara gorge by tightrope?

2. How did the St. Lawrence River's Thousand Islands get that name?

3. Ottawa's current spending is highest in which of these three classifications: defence services, health and welfare, public debt charges?

4. The average manufacturing company in Canada employs 35, 350, or 3,500 persons?

5. Personal income taxes paid by Canadians represent about what proportion of total tax payments?

ANSWERS — 5. Personal income taxes represent about 14 cents of the total dollar of tax payments to all governments. 3. Of Ottawa's spending this year, health and welfare (including old age security pensions) will account for 28 per cent, defence services for 21 per cent, public debt charges 14 percent. 1. In 1859. 4. 35 persons. 2. Early French explorers used the phrase "les mille isles", meaning "the thousand islands", although, in fact, there are about 1,500 in the group.

HOME IMPROVEMENT
ONE RESPONSIBILITY PLAN

Takes the Gamble out of Home Improvements

There was a time when a remodelling job was quite a gamble for a home owner. He had to buy materials, arrange for tradesmen and supervise them; approve the work, then scout around for money to pay the various contractors and suppliers. He gambled that everything would turn out right. But those days are long gone now that our ONE RESONSIBILITY PLAN has taken the gamble out of remodelling.

COSTS

Here's how our plan works: You tell us what improvement you want to make and we give you a firm price for the entire job before the work starts. You know your final cost — no "extras," no hidden costs.

MATERIALS

Then we supply all the materials you have specified and get skilled workmen for each trade employed. They work under our direction to your specifications. When the work is completed we inspect it with you and make sure it is satisfactory.

FINANCING

We'll take care of the financing too if you wish. Our Budget Plan lets you make improvements of up to $3,000.00 and take 5 years to pay for them. Next time you want to remodel use our One Responsibility Plan.

MATERIALS — LABOUR — SUPERVISION — FINANCING

TOO MUCH PROSPERITY

A social worker recently came up with a theory many people have been nourishing for some time: That juvenile delinquency is connected not so much with poverty, as with prosperity.

In the old days people used to think it was the underprivileged kids who got into trouble. Now increasing numbers of young people from affluent homes are tangling with the police.

Contributing factors appear to be cars, drink and money.

Just another case, apparently, of the things we want most being the worst for us.

CAN'T BE EXPERTS IN EVERYTHING

When a telecommunications expert like CBS' Walter Cronkite admits he can't understand the talk that comes over a taxi radio, it's time for lesser mortals to come out of hiding and admit that they, too, are ignorant about some of the more fundamental facts of life.

If people have difficulty understanding insurance policies or premium notices, for instance, they shouldn't be downhearted. Some things are even less intelligible than taxi radios.

Others have trouble coping with income tax returns, and unless you're a chartered accountant or a Philadelphia lawyer, you may be one of them.

The so-called simple things of life, whether they be in triplicate or merely instructions on how to put a piece of knock-down furniture together, are getting more and more complicated. And space age achievements are even more likely to leave the average man a misfit in his own civilization.

Most of us are as ignorant about some particular phase of modern life as Cronkite appears to be about two-way radio. And we only get into deeper trouble if we try to make like an expert when we're really completely confused.

The average man has no call to be ashamed of the fact that he can't follow simple directions and open a cereal box without lousing up the whole operation.

Ignorance is relative, after all. And who has time, in this day of technological advances, to be an expert in everything?

Walker -- McGowan Wedding at Trenton

Tall standards of yellow gladioli and white 'mums adorned the altar of King Street Church, Trenton, on Saturday, July 10th when Rev. Robert Shorten united in marriage Beverley Joan McGowan and Leslie Frederick Walker. The bride is the daughter of Mr. and Mrs. Stewart McGowan, Trenton, and the groom is the son of Mrs. F. Walker and the late Mr. Walker, Carrying Place.

The wedding music was played by Mr. E. A. Nunn and the soloist was Mr. Bill Fisher, Toronto.

Given in marriage by her father, the bride wore a white silk organza over taffeta gown with lace bodice and lily point sleeves. The skirt was bell shaped and had a bow at the front. Her waist-length veil was held in place by three organza roses and lily of the valley. She carried a cascade of pink sensation roses.

The maid of honour, Miss Judy Redcliffe and the bridesmaids, Misses Vivian Redcliffe and Miss Nancy McGowan, were dressed alike in aqua organza over taffeta gowns, with lace jackets. They wore aqua tulle veils over matching wedding ring hats and wore white accessories. They carried nosegays of white and aqua tinted 'mums.

The groom was attended by Fred Madigon and the ushers were Gregory Graham and Raymond Redcliffe.

A reception was held in the Balmoral Room at the Glenburnie, where the bride's mother received the guests wearing a dusty rose sheath dress of lace and matching lace three-quarter coat, rosewood tulle hat and bone accessories. She wore a corsage of yellow roses. The groom's mother assisted wearing a two-piece light blue lace dress and a corsage of pink roses. Also in the reception lin was the groom's sister and husband.

For a wedding trip to points northwest the bride chose a pink and white silk dress with pink linen coat and a corsage of yellow roses. On their return the couple will reside in Toronto.

Out of town guests were present from Toronto,, Belleville, Wooler, Carrying Place, Thomasburg, Stockdale, Stirling and Trenton.

Previous to her marriage the bride was honoured at a shower given by the groom's sister in Toronto.

Grills -- Howes Wedding

The marriage of Shirley Ethel Howes daughter of Mr. and Mrs. Allan L. Howes, R.R. 3 Frankford and Thomas Richard Grills, son of Mr. and Mrs. John Grills, R.R. 3, Frankford, was solemnized on June 12, 1965 at 2.00 p.m. in Carmel United Church, Stirling R.R. 3,

The Rev. J. B. Small performed the ceremony before an altar of pink tinted 'mums.

Miss Beverly Wannamaker played the wedding music and accompanied the soloist, Mr. Donald Armstrong as he sang, The Wedding Prayer and O Perfect Love.

The bride given in marriage by her father, wore a silk organza over taffeta gown with a fitted bodice of imported lace, full length lily pointed sleeves, a bouffant skirt accented by lace appliques and a waist line bow at the back. Her finger tip bouffant veil of silk illusion with scalloped edging fell from three chiffon roses and petals of tulle. She carried a bouquet of red American roses and white baby 'mums and ivy.

The maid of honour, Miss Shiela Broadworth, Roseneath, cousin of the bride and Mrs. Sharon Sayers, sister of the bridegroom, were dressed alike in short length dresses of shrimp nylon organza over taffeta with bodice of imported lace with bow at front of waist line.

They wore shrimp bouffant veil headdresses which fell from three chiffon roses and petals of tulle.

The maid of honour carried a nosegay of small baby 'mums tinted to match dresses, the bridesmaids nosegay bouguets were the same.

The flower girl Miss Catherine Grills, cousin of the bridegroom wore white nylon short length dress with small white headband. She carried a white basket of small baby 'mums tinted.

Mr. Gerald Grills of R.R. 3 Stirling was groomsman, and Mr. Dennis Grills, R.R. 3 Frankford, brother of the bridegroom, and Mr. John Howes, R.R. 3 Frankford brother of the bride ushered the guests. Master Allan Howes was ring-bearer.

At the reception held at the Carmel Jubilee Hall the mother of the bride received the guests wearing a pale blue two piece suit with lace over taffeta and white accessories and a corsage of pink delight roses. The bridegroom's mother assisted, wearing a turquoise green sheath with fitted lace bodice and matching jacket, white accessories and a corsage of pink Delight roses.

For her wedding trip to western points the bride chose a pink brocade dress with three quarter length matching coat with white accessories and a corsage of red roses.

Out-of-town guests were present from Toronto, Belleville, Trenton, Napanee, Consecon, Hilton, Harold, Stirling, Frankford and Roseneath.

Mr. and Mrs. Thomas Grills are now residing at R.R. 3, Stirling.

In Memoriam

TANNER — In loving memory of a dear son and brother, D. Allan Tanner, who died as the result of an accident August 1st, 1964.

He didn't know when he left home,
He would no more return,
That he in death so soon would sleep
And leave us here to mourn.
We do not know what pain he bore,
We did not see him die,
We only know he passed away
And never said goodbye.

—Always remembered by Dad, Mom, Marvin and Jim. 30-1p

Crops Coming Along Well

The Stirling area has been drenched with July rains after a May and June characterized by drought conditions, with 3.26 inches of rain falling here during July. Last year in July the area received only 1.80 inches.

The early summer drought has resulted in hay crops anywhere from 20 per cent to 90 per cent of their normal yield with the result that many farmers are buying feed outside the area. Concentrates are being bought because of the shortage of hay across the province. As yet there has been no widespread sale of cattle attributed to lack of feed.

There is a wide variation in drought affects across the County. Corn is behind, because of low temperatures as much as drought and this can be said of most field crops in the area. Strawberries were seriously affected by the low rainfall in June but the later fruit are in good shape.

The situation in this area does not seem to be as serious as it was originally feared to be. The heavy July rains have made up for a dry June and the pea crop in particular may be much better than normal.

All may be born equal, but all are not equal to it.

Boating Pleasures -- But What of the Hazards?

Many a boat trip has ended abruptly because of unforseen circumstances, and many a tragedy might have been averted had someone taken steps to ensure safety. Accidents can be prevented if a little time and thought is given to correcting unsafe conditions and behaviour.

If your boat is gasoline powered, take care in refueling. Do not allow to spill, and do not smoke or let any one else smoke in the vicinity while the tank is being refueled. Fumes can be suddenly ignited by a lighted cigarette. Make certain that all supply lines are free from leaks and that the carburetor floats are adjusted to the proper level.

Take extra precaution if the engine is enclosed in a compartment. When it has been running for some time and is shut off, fumes which have collected under the hood or box are in a highly combustible state and when the engine is restarted a slight spark will set off an explosion. Many boats are equipped with an automatic blower to disperse the fumes but if yours does not have a blower, raise the wooden box, or remove it, before starting the engine. This allows the combustible fumes to escape. Keep a fire extinguisher handy.

Carry a set of oars or paddles and a bailing bucket in case of unforseen mishap. Keep all gear stored in their proper places, or under the seats if compartments are not supplied. Don't leave them lying around where they will become hazards. Make certain the boat is equipped with proper navigation lights.

The Federal Department of Transport requires you to provide a Government-approved life preserver for each person on board. Wear your life-preserver. The bottom of the boat is no place for it, nor should it be used as a cushion. A sudden emergency, a last minute grab of the life preserver, and it may be too late.

Do not overload or overcrowd the boat. Get to know its limitations. Is it big enough for the number of people aboard? If the boat is powered by an outboard motor, does it have the correct horsepower? Next to overloading, too much horsepower is one of the commonest causes of boating accidents. Too little can be just as dangerous.

Never stand up in rowboats, canoes and other small boats. It makes the boat top-heavy and causes it to tip. If you must change places hold onto the gunwales and move from one place to the other in a crouching position. This helps to keep the centre of gravity low and the boat more stable. Be safe. Beach or dock the boat first.

Watch out for swimmers, scuba divers, and other boats. Do not endanger lives.

A valuable booklet, "Safety Afloat" is issued by the Department of Transport, Ottawa, Canada. We recommend all boating enthusiasts obtain a copy.

For smooth sailing, use common sense, care and courtesy.

Cutworms and Corn

A few fields of corn have been damaged by cutworm in this area and apparently the damage is widespread across Ontario. This cutworm is a species that feeds below ground, probably the glassy cutworm. This species prefers sod and is most troublesome to crops following sod in low ground. The body is greenish white with a reddish head. The worm has somewhat of a translucent or glassy appearance. It varies from ¾ inch to 1 inch long.

All corn growers should check their fields closely. Some of the plants appear wilted, some are ragged in appearance and many are cut off below ground level. Look for the cutworm 1 to 3 inches below ground level, feeding on the underground parts of the plant.

If they are underground feeders, sprays with a low volume of water as given in the second column on page 20 of publication 296 "1965 Field Crop Recommendations" are not likely to be effective. The 50 gallon rate given on page 20 may be an inadequate amount because of lack of penetration.

Some suggestions from the Zoology Department of O.A.C. are:

(1) You may find it is better to leave the crops as the season is late. If you can apply a large volume of water per acre, then sprays as given in the "1965 Field Crop Recommendations" in the 2nd column of page 20 may be helpful. A chemical called Sevin is the only one to use on silage corn.

(2) If a damaged field is worth leaving, it might be advisable to resow corn again — in part or all of it — beside the present row, 1 to 2 inches aday, using the earliest hybrid available. This mixed planting likely will be useful for silage only. Some further damage may occur but the final stand will likely be better.

(3) If you have corn for grain, it is too late to replant, unless you get a very early maturing hybrid. Apparently early maturing hybrids are in very short supply.

(4) If atrazine has not been applied you may wish to sow oats or a sudan-sorghum hybrid. The cutworms will damage these crops also but should not to the extent they do corn.

Farmers Warned To Look Out For Phony Income Tax Officers

The Minister of National Revenue E. J. Benson warned Eastern Ontario farmers to demand identification from persons claiming to be income tax officials.

He also said that rumours circulating in Eastern Ontario that all farmers must file income tax returns this year are untrue. "No one need file an income tax return unless he is taxable, or unless requested to do so by the Department," he pointed out. (With the filing of the 1966 returns in the spring of 1967, farmers earning more than $800 a year will also need to file for Canada Pension Plan purposes).

"We know of one case in Williamstown where a poor farmer who was not taxable was told he would have to file an income tax return or face a $500 penalty," he said. "In other cases farmers are being "pressured" into signing for a tax consulting service for a fee of $75. Our officials are happy to provide information to anyone free of charge. In addition, every farmer who is taxable and on our master tax rolls receives a copy of the "Farmer's and Fishermen's Guide" by mail each January.

"What concerns us, apart from high-pressure salesmanship, is men from any firm of consultants misrepresenting themselves as federal government officials from the Taxation Division. These men could thus gain access to confidential information and records to which they are not entitled."

He explained that officials of the Taxation Division who audit and examine books and records of taxpayers carry a plastic-covered identification card bearing a number, the crest of Canada beside which is the wording "Department of National Revenue, Taxation Division" and a picture of the employee. They also have a facsimile signature of J. Gear McEntyre, Deputy Minister of National Revenue for Taxation. They are bilingual, English on one side, French on the other.

"I would strongly advise business people, particularly those living in smaller centres, as well as farmers, to demand identification from anyone claiming access to their records. They should examine these cards carefully and make sure they distinguish between Taxation Division officers and others who may carry cards bearing a resemblance to the official cards."

A youthful figure is what you get when you ask a woman her age.

"The worst sin toward our fellow creatures," Bernard Shaw once wrote, "is not to hate them, but to be indifferent to them; that is the essence of inhumanity."

Youngster Attacked By Caged Bear

A three-year-old Scarboro boy was injured Thursday, July 29th when he wandered away from his mother and went around to the back of the cage where the bear is usually fed. He walked up to the screen and the bear, a 350-pound seven-year-old bruin, grabbed him.

The boy was rushed to the Peterborough Civic Hospital suffering from severe lacerations of the leg and scratches to both arms.

The bear cage was built to the specifications of the Department of Lands and Forests and the incident was the first trouble the owners have had with the bear. At the request of the owner, the bear was destroyed by Department of Lands and Forests officials.

Local 171 Ontario Farmers' Union

The July meeting of the Ontario Farmers' Union was held at the home of Mr. and Mrs. Harper Bateman.

It was moved by Jeanne Williams and seconded by Shirley Reid that a letter be sent to Agricultural Minister Stewart in support of Hastings County Cheese Producers.

Moved by Fred Beckett and seconded by Morton Reid that Jeanne Williams be appointed to write the letter to Mr. Stewart.

A letter was read by Bob Cosbey from head office regarding the drought area.

The next meeting is to be held on August 12th at the home of Mr. and Mrs. Lorne McInroy.

The ladies served lunch and a social time was spent.

Hon. Harry Hayes To Open 1965 International Plowing Match

The Honourable Harry Hays, Federal Minister of Agriculture, has accepted an invitation to open the 1965 International Plowing Match on Wednesday, October 13th, at 2 p.m.. The Match is being held this year from October 13th to 16th at the Massey-Ferguson Farm, York County, Milliken, Ontario — adjoining the northern boundary of Metro.

The last Match in York County was in 1934 at Wexford, but the International Plowing Match originated in this county in 1913 on Sunnybrook Farm, so the big event is returning home to York.

Preparations for the Match have been underway for many months now — under the direction of chairmen covering the various committees handling the varied aspects of the event. Bill Sutherland, the farm manager, and formerly of this district, planned crops as far back as two years ago, so that sod and stubble would be available where needed. Since then, work has been underway in planning special events, the farmstead improvement competition, wagon tours, parking and traffic, publicity and the county exhibit. From now on, there will be increasing acceleration in the work leading up to the big opening day.

Approximately 500 acres have been reserved for plowing competitions, parking and demonstrations of various kinds. It is expected that about 600 plowmen will take part and they will be competing for prizes having a total value of $15,000.

Tented City will cover over 50 acres where over 300 exhibitors will be reserving space. Advance reservations indicate that a record in both number of exhibitors and the total space occupied, may be set at this year's International.

On October 13 and 14, the Ontario Plowmen's Association, in co-operation with the York County Local Committee, will be host to the Canadian Plowing Council in conducting the annual Canadian Championship contest. It is expected that eight Provinces will enter teams.

When the Honorable Harry Hays officially opens the International Plowing Match on October 13th, all things point to the start of the biggest Match ever held — due partly to its proximity to Metropolitan Toronto. Record attendance is anticipated from every province of Canada and from across the border.

Farmstead Improvement Agriculture's Centennial Project

Ontario's farming community will have an opportunity to participate in marking Canada's Centennial in a practical way, Hon. Wm. A. Stewart, Minister of Agriculture, has announced.

Following Cabinet discussion, it is proposed to inaugurate a farmstead improvement competition in every County and District, with provision being made for a Provincial competition open to first prize winners in each area. The programs will be ancillary to programs sponsored by the various municipalities.

"With preparations being made in all parts of Canada to celebrate Canada's Centennial, there has been great interest in the event on the part of the farm people of Ontario," said Mr. Stewart. "As a result it has been decided to mark the occasion in a way which will express the feelings of the farm people in a way that, I am sure, will add a great deal to the attractiveness of the Ontario farmstead."

Mr. Stewart said that the improvement competition would be open to every County and District in the Province, with provisions being made for a provincial competition open to first prize winners in each area. Under the program, farmers, townships and county groups would be asked to participate in a general improvement of the whole countryside.

To assist each County or District Committee to finance a satisfactory prize list the Department of Agriculture will make a grant to each county on the basis of an average of $8.00 per entry with a maximum grant to each county of $1,800.

Provincial prizes will be awarded, with the first prize winner receiving $500 and a championship trophy, with the reserve champion receiving $400 and a trophy. Third to eighth prize winner will receive awards scaling down from $300 to $25.

The competitions will be divided into two categories; the Farmstead Improvement Competition, open to all farmers and organized on a county and provincial basis; and a Rural Landscape Improvement programme on a cost sharing basis with County Councils.

It is hoped that by 1967, as a result of the programme, many buildings would be improved and painted, dead trees removed from the countryside, fences repaired, along with the renovation of old cemeteries and the general removal of debris.

"I am sure that everyone will agree that the programme provides a very practical way of marking Canada's Centennial," said Mr. Stewart. "Not only wil it encourage the beautification of our rural scene, but it will also provide an area of personal participation in marking this important milestone in our country's history."

LEGION NOTES

For the past several years, the Legion has used the summer months to renovate and undertake major changes in our Legion Hall. This summer, the membership is taking it easy and no large work projects have been planned. Several minor improvements have been made, and two or three tasks yet remain to be completed.

* * *

During the past month, the floors in the two washrooms and the kitchen have been tiled. This work has added to the general appearance of the interior of the Legion Hall. Outside the building, three large flowerbeds have been planted with the help of the Stirling Horticultural Society.

* * *

Present plans for the remainder of the work call for the erection of a T.V. mast, the possible finishing of the front exterior wall of the Legion Hall, and some improvements to the drainage system surrounding the building.

* * *

It is expected that an Executive meeting will be called in the near future to consider the remaining work, and to also start planning for another busy Fall session of Legion activity. Details of the Executive meeting will be reported in future Legion Notes columns.

There are few women after-dinner speakers. They cannot wait that long.

Smith -- Dracup Wedding

The marriage of Miss Margaret Rose Dracup, daughter of Mr. and Mrs. Omar Dracup, R.R. 2 Harold, Ont., and Mr. Harland Charles Smith, son of Mr. and Mrs. Harland B. Smith, Fairview Village, Pa., was solemnized in Wellman's United Church on Saturday, July 24, 1965 at 2.30 p.m.

Dr. Stewart L. Boehmer, President of Toronto Bible College, performed the double-ring ceremony.

Mrs. Craig Watson rendered the wedding music and accompanied the soloist, Miss Mary Dracup, sister of the bride. As the bride entered the church, the pianist played, "Praise My Soul the King of Heaven" and for the recessional, "Wedding March" by Mendelssohn. Before the ceremony the soloist sang "The Lord's Prayer" and during the signing of the register "Happy the Home When God is There".

The bride, given in marriage by her father, wore a floor-length gown of crystal peau de soie with fitted bodice, full length lily-point sleeves, a gathered skirt and floating train. The dress was highlighted by floral lace appliques. From her little pill-box hat, adorned with matching appliques flowed an elbow-length veil. She carried a bouquet of white and yellow gladioli trimmed with lily-of-the-valley.

The matron of honour was Mrs. Kenneth Matthews, sister of the bride. She wore a street-length dress of emerald green taffeta, while the bridesmaids, Miss Carolyn R. Smith sister of the groom and Miss Janette Dracup, sister of the bride were dressed in similar gowns of silver green taffeta. All three attendants wore matching green headpieces consisting of a large cabbage rose with a short veil attached and carried nosegays of Shasta daisies trimmed with floating green ribbons.

Mr. Robert Runyon, Collegeville, Pa., was groomsman while Mr. Richard Dracup, Harold, brother of the bride and Mr. Richard Kreibel, Lansdale Pa., brother-in-law of the groom were the ushers.

At the reception, held at Mt. Pleasant Hall, the guests were received by the mother of the bride wearing a dress of powder blue chiffon over taffeta with white accessories. The bridegroom's mother assisted dressed in a pink embroidered linen sheath with white accessories.

For the wedding trip to Northern Ontario, the bride chose a rose-pink sheath dress with matching jacket, white accessories and a corsage of white mums. Guests were present from Fairview Village, Pa., Lansdale, Pa., Harrisburg, Pa., Toronto, Lakefield, Erin, Moira Trenton and Stirling.

Before her marriage, the bride was entertained at a miscellaneous shower given by Mrs. Ray Reign and the people of Pawling's Chapel, Pa.; also a personal shower given by Mrs. William Smith, Lansdale, Pa., and other relatives of the groom. Mrs. Hugh Lyons, R.R. 3, Frankford, held a tea for the bride, and Mrs. Harold Linn, Harold, Ont., with Mrs. Garland McCoy and Mrs. Kenneth Tompkins as co-hostesses, honoured the bride with a miscellaneous shower.

The wedding party was entertained at an after-rehearsal party by the parents of the bride.

Harland and Margaret will make their home in Philadephia where Harland will continue his studies at Westminster Theological Seminary.

Little -- MacAllister Wedding

The wedding of Marilyn Irene MacAllister, daughter of Mr. and Mrs. Craig W. MacAllister, R.R. 4, Stirling, to Richard Leslie Little, son of Mr. and Mrs. Leslie E. Little, R.R. 4, Stirling, was solemnized in Marsh Hill United Church on Saturday, July 24th, 1965, at 2.30 p.m. Rev. C. C. Gilbert officiated at the ceremony. Miss Gwenda Detlor was the pianist.

The altar was flanked by mixed summer blooms.

Given in marriage by her father, the bride was winsome in a white lace-over-nylon street length dress, which featured a full skirt, low neckline, pointed sleeves and buttoned back. She wore a crown of seed pearls from which flowed a shoulder length veil. She carried a nosegay of red sweetheart roses and white 'mums.

She was attended by her sister, Mrs. John Bownin, Scarborough, who wore a powder blue sheath trimmed with white applique and wore white accessories. Her nosegay was of pink roses and white 'mums.

Mr. John Bownin was groomsman.

The ushers were Mr. Murray Fleiler, Oshawa, cousin of the bride, and Mr. Peter Little, R.R. 4 Stirling, brother of the groom.

Following the ceremony the couple were piped from the church by Messrs. Derek O'Severn and Roy Foster, members of the Bowmanville Pipe Band.

At the reception in the Stirling Legion Hall, the bride's mother received, wearing a blue suit with white accessories and corsage of yellow and white 'mums. The groom's mother assisted in a beige sheath dress with green accessories and corsage of pink roses.

For the wedding trip to New York, the bride donned a three-piece blue suit with white accessories and corsage of pink roses.

Out-of-town guests were present from Peterborough, Whitby, Oshawa, Weston, Port Hope, Warsaw, Tweed, Wallaceburg, Sarnia, Lake Simcoe, Scarborough, Toronto and Hampton.

The young couple will take up residence at Oak Hill Lake, Stirling R.R. 4.

Hastings 4-H Senior Calf Club

The Hastings 4-H Senior Calf Club held its regular monthly meeting on July 26, at the O.D.A. board room in Stirling.

Mr. E. W. Henderson of the Dairy Branch of the O.D.A., supervised while the members did Resazurin tests on samples of milk. The samples were also tested for butterfat content.

Mr. Lyall MacLachlan discussed the 1964 D.H.I.A. progress reports The meeting was then adjourned.

4-H Tractor Club

The last meeting of the 4-H Tractor Club was held at the farm of Kalvin Sharp. The Club leader, Mr. Tobey, showed the members how to set a carburetor on a tractor and gave a short talk on lubricating it.

It was decided that the members would take a trip to Hamilton to tour the I.H. Company and the Stelco Plant on August 12th.

The next meeting will be held on September 1st. Mrs. Sharp served lunch which was enjoyed by everyone.

Birthday Party For Senior Citizen

A surprise birthday party was given Mrs. Florence McKeown, of Spring Brook, at her home on Wednesday, July 27th, it being the occasion of her 80th birthday anniversary.

The tiered birthday cake flanked by pink candles and pink and white snapdragons made an attractive background from which the four granddaughters of the guest of honour served — Mrs. R. Sanderson, Mrs. E. Wise, Mrs. D. Trumble and Linda Meiklejohn. Pouring tea were Mrs. G. Meiklejohn and Mrs. Cyril McKeown.

Many good wishes arrived by mail, while friends and neighbours called during the afternoon, presenting her with useful tokens of esteem. Mrs. H. Mumby read a short address from friends and presented Mrs. McKeown with a necklace an bracelet set.

Mrs. McKeown is an active resident of the village, being organist of the United Church and a member of the Spring Brook Women's Institute and Senior Citizens' Club of Marmora.

All wish her many years of continued health and activity.

SOME EARTHY THOUGHTS

A fellow sold me five bushel baskets of earth for the lawn. Charged me five dollars, which I didn't think was cheap dirt, or dirt cheap. And it will only make the grass grow faster and need cutting oftener. Yet I find nice fresh black soil darn hard to resist.

When you stop to think, just about everything material we possess must come from such earth. Once the weatlh is produced, we can right over it all we like — but to produce it in the first place somebody has to roll up his sleeves or oil up his jack-hammer and dig it out or crop it. That's an elementary bit of knowledge, but easily forgotten.

In Ottawa and other capitals it appears to be totally forgotten at times. There seems to be a feeling there that a group of ordinary men, seated in an impressive chamber, with a certain amount of ceremony, can talk us into prosperity or depression.

The fact, of course, is that this group of men was never, originally, expected to try any such fool thing. They were put there to make a few rules about general conduct, to protect those who produced goods from having them stolen by robbers or pirates or other rapacious nations. In the beginning, even morons weren't silly enough to think that such men could sit and talk grain from the earth or diamonds from the mines.

It is surprising how we lose sight of obvious facts as our civilization gets more complex. There are kids today who really don't realize milk comes from cows; they've only seen it in the bottles or cartons delivered to the door every day. A generation of that type also gets to think that housing springs up, by magic, because the government provides it. I have never seen a government pour a single ounce of concrete!

Everybody ought to buy a bit of earth and think some earthy thoughts.

Stirling Fall Fair Prize Lists Offer Excellent Prizes In Various Classes

Revision of Horse Classes and Ladies' Sections — Achievement Day for clubs

The prize lists for Stirling Fall Fair, to be held on September 3rd and 4th, are ready for distribution.

The Directors have endeavoured to make the prize lists attractive and have been well supported by outside firms and local citizens who have offered special classes in the various classes.

Horse Classes

A complete revision of the various horse classes has been effected. Prize monies have been increased and a special effort has been made to make this section attractive to exhibitors. A programme of the various events for the horse classes has been added to the prize list for the convenience of exhibitors.

There will also be the customary events for heavy horses and ponies.

There are several special prizes offered which should result in one of the best shows of horses at Stirling Fair in years.

Western Games

Plans are well under way for holding a Western Games programme at the Fair this year. This event will feature a parade downtown at 11 a.m., Barrel Racing, Pole Bending, Reining Contest, Keyhole Race and Quarter Mile Race. There will be trophies, monies and ribbons for each event. This new attraction should prove very interesting as horse clubs from Ottawa, Montreal and Kingston have already stated that they will be attending.

Cattle Classes

In the cattle, prizes are offered for Ayrshire, Holstein, Jersey, Hereford, Dual Purpose and beef breeds. There are also special prizes listed for all classes.

The customary classes are provided for sheep, swine and poultry.

A feature this year is the Eaton's of Canada Livestock Special, awarded to the exhibitor winning the highest number of points in the Livestock Classes. An exhibitor winning this trophy at another 1965 Fair will not be eligible at the local Fair.

Ladies' Work

The ladies' work section of the prize list has been revised and includes children's wear, ladies' wear, men's wear and home-craft divisions. There is also a junior section featured for exhibitors from 9 to 12 years and teen-agers. Attractive prizes are offered as well as several good specials donated by interested parties.

There are also classes for Cheese, Garden and Roots, Fruit, Grain and Seeds and Domestic Science.

Public School

A special section for Public Schools is also included with good prizes being offered for exhibits in various classes.

Junior Farmer Section

There is a Junior Farmer Section in which the Achievement Days of the various 4-H Clubs are featured. There are four Clubs, the Stirling 4-H Calf Club, Hastings 4-H Corn Club, the Trent-Moira 4-H Forestry Club and the South Hastings 4-H Potato Club. These Clubs are sponsored and financed by the Canada and Ontario Departments of Agriculture and the Stirling Agricultural Society.

Dance At Night

Plans are also completed for holding a gala dance at night at the Fair Grounds. Present will be Canada's King of the Callers, George Wade and his Corn Huskers, from Toronto.

Be An Exhibitor

The farmers and their wives, as well as local citizens, are urged to get a prize list and be an exhibitor in one of the many classes offered. The Agricultural Society sponsors the Fair entirely in the interests of the farmers of the surrounding district and should be encouraged.

Copies of the prize list may be obtained from R. E. Shortt, Secretary, or at the News-Argus office.

Sneak Thieves Active In Village

Sneak thieves are active in the Village, with residents on several streets reporting money being taken from milk bottles on Friday night.

It has been suggested by police that if residents would purchase milk tickets in advance, it would put a stop to this petty thievery.

Albert Fraser In Hospital

Friends of Albert Fraser, John St., will regret to learn that he is a patient in Belleville General Hospital. He suffered a heart attack while camping at Papineau Lake on Tuesday evening of last week and on Wednesday morning he was admitted to hospital. Latest report is that he is progressing satisfactorily.

Passes Oil Heating Course

R. L. Hatton, of Hatton Hardware, received word this week that he was successful in passing his examinations in installation and servicing of commercial and industrial oil heating equipment. Mr. Hatton took the heating course in Hamilton in June. The examinations were set by the Department of Energy and Resources.

Stirling Bantams Win Semi-Finals

On Thursday evening, Stirling Bantams won an exciting game over Glen Ross by a 9-8 score to win the best-of-three semi-finals in two straight games.

It was a see-saw battle right until the end of the seventh when Stirling squeezed a run to break the tie.

Cooke and Bastedo shared the pitching duties for Stirling, with Jeffs and Spencer working for Glen Ross.

Faulkner and Cooke were outstanding at bat for Stirling, while Hagerman and Potts starred for Glen Ross.

Stirling now meet the winners of the Bonarlaw-Marmora series for the championship.

GETS 3RD YEAR AT GM INSTITUTE

Gerald Malloy, son of Mr. and Mrs. Michael Malloy, of Stirling, recently completed the third year of his four-year course in Mechanical Engineering at General Motors Institute, Flint, Michigan.

Before returning home to work at GM of Canada, in Oshawa, until the Fall term, he was initiated into Alpha Tau Iota, on honourary engineering society. Initiates for this society are chosen from those students who exhibit academic leadership and membership is restricted to 10 per cent of the Junior and Senior classes.

Buys Property

Clayton J. Stapley, of Frankford R.R. 3, has purchased the property of Delbert Badgley, 6th Concession of Sidney, Frankford R.R. 4, Ont. Mr. and Mrs. Stapley have sold their home on the 9th of Sidney to V. Gare, of Newmarket, and they plan to take possession at the above address the latter part of August.

Mrs. Emily Barnsley 87 Years Young

Mrs. Emily Barnsley, Henry St., celebrated her 87th birthday anniversary on Monday, August 9th. Mrs. Barnsley makes her home with her daughter, Mrs. Chas. Smith, and Mr. Smith.

Her many friends in the district wish her a "Happy Birthday" and many more of them.

Rawdon Hi-C's Narrowly Escape Defeat By AOTS

Tuesday evening, August 3rd, under the lights, before a large crowd of cheering spectators, the Rawdon Hi-C challenged the Rawdon AOTS Men's Club to a game of ball.

During the first inning, the Hi-C's sped to the lead with 13 runs. After careful coaching by Ross Jeffs, the Men's Club rallied and gave the Hi-C's only a four-run lead at the end of the game.

Bill Jeffs, a familiar figure behind the plate, starred for the Men's Club, while Doug. Campbell and Ralph Jeffs were on the mound.

Several home runs were scored by the Men's Club, which helped to narrow the margin.

A re-match will be played soon, with all the proceeds going to the Rawdon Manse Committee. Be sure to watch for the date of this thrilling event.

New Books At The Library

The Library will be closed for holidays from August 15th, for two weeks, opening on August 31st. Any books which were due in this period will, of course, not carry a fine for lateness. Patrons are urged to get more than the usual quantity of reading material to carry them over the holiday period.

The new books listed below have just gone on the shelves and there are some extremely good titles and authors for your reading enjoyment.

In adult non-fiction: Open At The Top", by James M. Minifie; "The Forgotten Men"; "The Defended Border ";"While Berlin Burns, by Von Studnitz"; "Hitler Moves East; "Terror In The Name of God", an expose of the Doukhobor terrorisms by Simma Holt; the new 1965 play by Arthur Miller, "Incident At Vichy"; "Preparing Your Children For Marriage"; "Teen-Age Fitness", by Bonnie Prudden; "Why Wait Till Marriage"; a Baden-Powell biography and a book for collector or historian alike "Canada's Postage Stamps".

In adult fiction: "The Ambassador", by Morris West; "Up the Down Staircase"; "The Atonement of Ashley Morden" and "Eighth Moon".

In Juvenile section: "How to Make Doll-Clothes"; "Paul Bunyan and His Great Blue Ox"; "The House of Sixty Fathers"; "The Clue of The Black Cat"; "A Bridle for Pegasus"; "Across Five Aprils"; "Daddles"; "The Wonderful World of Communication", and a biography of "Martin Luther".

If you want to be rid of someone—just tell him something for his own good.

WITH THE LAWN BOWLERS

Three pairs represented the Stirling Lawn Bowling Club at the Molly Galt Memorial Mixed Doubles Tournament in Kingston on Saturday. Attending from here were Verna Woodbeck and Ted Barnard, Mabel Brooks and Carl Pitman and Rosa Spry and Fred Mitchell, of Tweed.

The inter-club games at the local greens are creating considerable interest, with games being played each Thursday night. To date all games have been played and the winning pair will be awarded the News-Argus trophy.

Picks Three Five-Leaf Clovers

Ray Hagerman, R.R. 3, Stirling, picked three five-leaf clovers in one of the fields on his farm this past week.

Those attending were Mr. and Mrs. Howard Cooke; Mr. and Mrs. Clayton Wright; Mr. and Mrs. Lee Purdy; Mr. and Mrs. Bruce Stapley; Mr. and Mrs. Geo. Cooke and Kevin; Mr. and Mrs. Francis Thompson, Debbie and Janet; Mr. and Mrs. Carl Bateman; Mr. and Mrs. Don Bates and Mary; Mr. Lin Stapley; Mr. and Mrs. Bryce Philp and Master Dale Thompson.

Young People's Softball Tournament Got Off To Good Start On Saturday

Final Games Will Be Played This Saturday — Winners Receive Webb Trophy

(Bob Taylor)

Five teams remain in contention for top honours in the 2nd Annual Stirling Invitational Young Peoples' Softball Tournament. Proceedings opened at 10.30 a.m. Saturday morning with Sidney winning a close 14-13 decision over Cannifton. Linda Casey and David Putman homered for the losers. Muriel Nicholson got credit for the win, with Linda Casey sustaining the defeat.

Spring Brook took the second contest downing Foxboro 11-2 behind the superb hitting of Linda Bateman. Ann Emerson started and lost for Foxboro. She sustained a hand injury which required three stitches.

Glen Ross came from behind to edge Centenary 21-15, with the help of a three-home-run performance by Gary Sayers. Bonnie Visser, pitching her first game in three weeks suffered control lapses, but held on to go the distance. Gail Christopher hurled a fine game in defeat and brother Merle Christopher contributed a home run.

Plainfield scored all their runs in splurges, to defeat the favourite Rawdon squad 15-8. Mary Reid, last year's top girl in the tournament, pitched the win for the defending champions, while Nancy Tompkins was chargtd with the loss, although pitching an outstanding game. Bob Smith, Don Reid and Doug. Geen hit homers for the winners, with Larry Jeffs and Fred McAdam replying for Rawdon.

Semi-Finals

In the Consolation Round 1, Foxboro ousted Cannifton 22-9 and Spring Brook reached the semi-finals, dumping Sidney 13-0 behind shut-out pitching of Linda Bateman. Sam Danford homered for the victors in a six-run seventh inning.

The Round Two Consolation game between Rawdon and Centenary was rained out and will be replayed Saturday.

Finals This Saturday

Saturday is the final day of the tournament with Eastminster meeting with Thomasburg at 10.30 a.m., Rawdon hooking up with Centenary at 12.15; Plainfield and Spring Brook meeting in a big clash at 2.00 p.m. Foxboro and the losers of the Thomasburg-Eastminster game clash at 3.30, with Glen Ross meeting the winners at 5.00.

The Consolation Round finals will be held at 7.00 p.m. with the finals for the new Rod Webb trophy getting underway at 8.30 p.m.. Proceeds will go towards the erection of a new tennis court. This is the only tournament of its kind in Ontario, perhaps in Canada, so let's come out to the ball game on Saturday.

In Hospital

Ken Mumby, R.R. 1, Harold, was admitted to Belleville General Hospital on Wednesday of last week suffering from a back injury.

Thurlow Farmer Loses Cows

A Saturday night thunderstorm in the Quinte district was brief but vicious.

On the fourth concession of Thurlow township, farmer Farley Vermilyea lost eight cows and a heifer when they were struck by lightning.

V. Herrington, of Madoc.

Stirling Legion Pee Wee's Lose Final Game In Hastings Tournament

Won The Semi-Final Game Against Newmarket By 5-3 Score—Lost Final 10-8

On Sunday, the Legion Pee Wee's, with a strong number of fans, journeyed to Hastings for the completion of their Pee Wee Softball Tournament, which had been rained out on Civic Holiday.

In the semi-final round, Stirling Legion defeated Newmarket by the score of 5-3. The game was featured by a fine pitching performance by Robert Cooke and a bases-loaded home run by Pete Utman.

After a half hour rest, Stirling met the Hastings-Norwood Combines in the final, with Hastings-Norwood coming out on top by a score of 10-8.

Although Stirling led by the score 4-4 at the end of the 4th inning, the next inning proved to be their bad one, with Hastings scoring 6 runs on a number of errors by Stirling.

In the final game, Peter Utman again homered, as did Robert Cooke.

The players wish to thank the local fans, many of whom were not parents of the players, who gave their support, while enjoying two very good games.

Stirling's line-up was as follows:

Greg. Dafoe, catcher; Robert Cooke, pitcher; Pete Utman, 1st base; Ron Andrews, 2nd base; Don Campbell, 3rd base; Ricky Wright, short stop; Gordon Spencer, left field and pitcher; Steve Bedard, centre field; Mike Hunter, right field; Sonny Farrell, right field; Daryl Anderson, pinch-hitter. Coaches, Bob Anderson and Bert Bastedo.

Rev. F. F. Downing Officiates At Daughter's Wedding

St. John's Anglican Church, Stirling, was the scene of the wedding of Anne Esther Mary Downing, daughter of the Rev. F. F. Downing, of Stirling, and Frederick Ford Hutchings, of Toronto, son of Mrs. F. Hutchings, of Delta, on Saturday, July 31, 1965, at 11 a.m.

The Rev. F. F. Downing officiated at his daughter's marriage, assisted by the Rev. F. A. Crook. Rev. D. Potter, of Madoc, played the wedding music.

Dr. E. R. Westman, of Sackets Harbor, New York, gave the bride in marriage. She wore a floor-length white satin gown, with a softly pleated skirt and a lace jacket with elbow length sleeves over the sleeveless bodice. Her lace mantilla veil fell to a small train. She carried a bouquet of yellow roses.

Miss Margaret Downing, sister of the bride, of Stirling, as maid of honour, wore a yellow floor-length peau de soie gown, similiar in style to the bride's gown. Her bouquet was of white roses. Miss Annie Mary Courtney, of Harold, and Miss Connie Lloyd, of Collin's Bay, as bridesmaids, wore floor-length dresses of white dotted Swiss, over yellow taffeta, with wide yellow sashes, and carried nosegays of yellow and white rosebuds. All three attendants wore headdresses of yellow peau de soie roses with tulle.

Mr. David E. Lee, of Norwich, New York, attended the bridegroom and the ushers were Joseph Keuhl, of Brockville, and Ernie Lloyd, of Millhaven, Ont.

At the reception at St. John's Parish Hall, the bridegroom's mother received the guests. She wore a street-length dress of pink crepe with white accessories and a corsage of white carnations.

For her wedding trip the bride chose a two-piece suit of pink Irish linen with white and black accessories and a corsage of deep pink carnations.

Mr. and Mrs. Hutchings will reside in Toronto.

Out-of-town guests were present from Winnipeg and Woodlands, Manitoba; Norwich, New York; Toronto; Scarborough; Thistletown; Athens; Delta; Chantry; Sackets Harbour, New York; Brockville; Sarnia; Kingston; Bath and North Augusta.

Previous to her marriage, the bride was honoured at a shower, at which the ladies of St. John's Church were hostesses.

M.P.P.'s Visit Madawaska Project

Several members of the Ontario Legislature on Tuesday, August 10th, accompanied Robert J. Boyer, Hydro's second vice-chairman, on a tour of the Mountain Chute hydro-electric project on the Madawaska River.

The group included Hon. J. R. Simonett, minister of energy and resources management; Hon. George E. Gomme, minister without portfolio; Paul J. Yakabuski, MPP for Renfrew South; Clarke T. Rollins, MPP for Hastings East; and Maurice Hamilton, MPP for Renfrew North.

Construction crews are making rapid progress on the $27.7 million project which is scheduled for completion in 1967. The station, 22 miles southwest of Renfrew, will have a total capacity of 139,500 kilowatts.

The group saw concrete being placed for the 175-foot main dam. Some 280,000 cubic yards of concrete are being handled by two large cranes operating from a 110-foot high bridge running parallel to the dam.

The present work force totals about 400 men, most of whom have been hired in the district.

Entered Into Rest

MR. TED BENJAMIN HOWARD

In failing health for the past several years, Mr. Ted Benjamin Howard, R.R. 1, Crookston, died Wednesday, August 4th, 1965, in Belleville General Hospital. He was in his 63rd year.

Son of the late Mr. and Mrs. Jonah M. Howard, he was born at Crookston and attended the White Lake public school. He had farmed in the Harold area for 30 years, before returning three years ago to live at Crookston.

He was a member of Bethesda United Church and was well known and highly respected in the area.

He is survived by his wife, the former Lilly May Dafoe; two daughters, Mrs. K. (Marguerite) Baker, of Belleville, and Mrs. J. (Bernice) Chambers, of Peterborough; and four sons, John M. Howard, R.R. 3, Madoc; Raymond R. Howard, of Camp Picton; Fred W. Howart, of Havelock, and Spencer W. Howard, of Dunnville.

Also surviving are two brothers, Mark, of Tweed, and Ward, of R.R. 3, Madoc; a sister, Mrs. F. (Nora) Kelly, of Tweed, and 18 grandchildren.

One sister and a brother predeceased him.

The funeral was held on Friday afternoon, August 6th, with service conducted in the MacKenzie Funeral Home, Madoc, by Rev. T. W. Sedore, assisted by Rev. R. Hawley. The funeral home was well filled by the many relatives and friends in attendance and there was a profusion of beautiful floral tributes attesting to the high esteem in which the deceased was held.

Bearers were: Cleo Bedell, Clarence Farrow, Donald Reid, Lindsay Tanner, Stanley Thompson and Harold Adley.

Interment took place in White Lake Cemetery.

Hay Bay United Church For Sale

Hay Bay United Church is for sale. Its closing is part of a trend away from the use of the small rural churhes in order to attend the larger churches in town. At one time the Bay Pastoral Charge maintained five churches at Hay Bay, Gretna, Anderson, Hawley and Bethany. To-day only Gretna and Anderson are still open.

Recently the minister of the charge, Gerald Day, nailed a "For Sale" sign on the Hay Bay Church. Earlier that day he had led in closing the Sunday School of some 40 members.

Couple Honoured At Wellman's

On Saturday evening, July 31, 1965, over one hundred neighbours and friends of the Wellman's community assembled at the Orange Hall to honour Mr. and Mrs. Harland C. Smith (nee Margaret Dracup) on the occasion of their recent marriage.

Mr. Craig Watson very capably acted as chairman and led the audience in community singing, accompanied by Mrs. Craig Watson, who was pianist for the evening. A varied programme followed. Mrs. Gerald Russett sang a solo. Readings were given by Mrs. Douglas Clancy, Mrs. John Carlisle and Mrs. Burton Morton. Piano solos were contributed by Gayle Hoover, Janice Clancy and Sharon Matthews. Mrs. Fred Beckett and Mrs. Gordon Foster rendered a duet and also Misses Anne and June Watson.

Harland and Margaret were then called to the platform. Mrs. Kenneth Tompkins read an address expressing the good wishes of the community and Miss Carol Seeley presented the bride and groom with a gift of money.

Margaret and Harland both replied, thanking the people for their gift and the pleasant evening and inviting all to visit them in their new home in Philadelphia.

"For They Are Jolly Good Fellows" was sung and Craig called on several in the audience for a speech.

Lunch was then served by the ladies and a social hour was enjoyed by all.

Stirling Women's Institute Meeting

Mrs. Earl Luery was hostess to the Stirling Women's Institute on Wednesday afternoon, August 4th, with Mrs. Frank Smith presiding.

The quilt committee, Mrs. David Luery and Mrs. Morley Ayrhart, reported two quilts were completed in July.

A new member was added to the roll, making a total of nineteen members; a donation was received from the same.

The Secretary, Mrs. L. Bronson, reported that all branches and district officers have a Stirling Branch programme.

It was agreed that the President place an advertisement in the local paper — "Quilts for sale".

Mrs. Blanche Reid gave the topic, "Home Economics and Health". Mrs. E. Foster gave a paper on "Education". Mrs. Earl Luery gave an article on current events, stating the High and Public School teachers' summer courses for the better teaching methods.

Mrs. David Luery gave a reading entitled, "The Groom".

Mrs. Charles Hicks thanked the members for the crib blanket and baby set.

Mrs. Smith led a panel discussion on "What's Good About Women's Institutes?" How do they benefit their community? What is its value to you, as a member? Some most enlightening replies were given, such as: Why isn't a member of the local Branch on the Community Hall Board when the local Institute has given so much towards the furnishing of this building?

The meeting closed with The Queen and refreshments were served.

THE BOOB IN A BOAT

A boob in a boat is a person who blithely runs his power boat in the lake without regard to other people or regulations.

Such as —

One person in a speed boat towing a water skier;

A person unaware of the buoy which marks a skin-diver below;

A person who dashes up to the beach in his power boat waving swimmers out of the way;

A person who thinks it funny to run close to a water skier to give extra waves. Maybe the water skier is out for the first time and has all he or she can cope with;

A person who throws empty beer bottles in the lake without thought that they might cause an accident:

A person who scorns life preservers as "sissy".

Amazement was expressed at last week's Board of Trade meeting that no boating accident has occurred on our lakes this past season. The season is not quite over. We will hope the boobs have all taken their boats from our vicinity and left behind our own residents and our summer residents who use common sense, courtesy and their knowledge of water regulations. — Lake Windermere Valley Echo, Inveremere (B.C.)

STAFF OF LIFE

The wife of a television announcer tells of putting her small son to bed and hearing him round off his prayers to the following effect: "O Lord, please bless Mom and Dad and give us this day our slow-baked, oven-fresh, vitamin-enriched bread. Amen."

Which is almost on a par with Mr. Adlai Stevenson's story about the little Irish boy who began the Lord's Prayer thus: "Our Father, which art in heaven, O'Halloran be thy name....."

Perhaps things aren't as bad as they seem. As long as Canada has a bi-lingual problem, the danger of the country being taken over by the United States is rather remote.

The Faulkner Cup, emblematic of the Championship of the Rawdon Softball League, was won by Mount Pleasant for the first time on Friday evening, when they defeated Spring Brook in the second game of the final series by the score of 6 to 5. Burton was on the mound for the winners and pitched good ball. Bill Jeffs played his usual strong game behind the plate. G. Broadworth hurled a splendid game for Spring Brook. R. Bailey caught a strong game behind the bat.

Frank Armstrong, who has been employed at Stirling Motor Sales, has accepted a position with the Canadian Aluminum Co., at Kingston.

Napanee Beaver Buys Post-Express

The Napanee Beaver is now the only newspaper published in Lennox and Addington County.

The Napanee Post-Express has ceased publication and its business and name have been acquired by The Napaaee Beaver Ltd.

Last week's issue of the Post Express was the last, thus ending an era of newspaper history which started in 1862 when the Napanee Express was established by T. M. Carman. In 1951, it was amalgamated with the Deseronto Post, which was established in 1904.

The Napanee Beaver was established in 1870.

The Post-Express publisher, Henry D. Wightman, will leave shortly for Ottawa to accept a new position.

Annual Meeting Highlands Hastings Tourist Association

The annual meeting of the Highlands of Hastings Tourist Association was held at Blue's Hotel, Madoc, Ontario, on Thursday evening, August 5th.

The following executive for the year 1965-1966 was elected:

President — Wilmot Rose, Frankford.

Vice-President — Ralph Neal, Marmora.

Treasurer — Nostrander Sprague, Trenton.

Secretary — Mrs. A. McLuskie, R. R. 4, Belleville.

Representatives to the Tourist Council — Ralph Neal, Marmora; Don Rodgers, Stirling; Del Hiatt, Steenburg.

The Executive and Members of the Association again expressed their sincere desire to continue with the Land O'Lakes Tourist Association as Tourist Region No. 11 administered by the Regional Council.

Mr. Del Hiatt and Ralph Neal were appointed to work with the Secretary in an endeavour to contact all tourist operators in the County of Hastings regarding membership in the Highlands of Hastings Tourist Association.

Wellman's UCW

The members of Wellman's U.C.W. held their monthly meeting at the home of Mrs. Alfred Akins, on Tuesday afternoon, August 3rd.

Mrs. Gerald Russett was in charge of the worship service, using the theme "Reap". The Scripture was taken from Matthew 6, verses 25-33. The thoughts following the Scripture reminded each that we have a wealth of blessings, but if we use them for any other purpose than the good of all men, we shall not have them long. The challenging question is: "Are we willing to be a chosen people, counted worthy of a place in Christ's service?" The worship service closed with prayer and a hymn.

A donation of $25.00 was made to the Manse Board; also $150.00 was voted to the General Fund of the Church.

Mrs. Jack Dunham had charge of the Bible Study, Chapter 12, from The Word and Way, "The Life of Grace and Freedom". Mary and Jeanette Dracup assisted in a dialogue, bringing out the thought that the remaking of our character which gives us new freedom, is the work of God in us. Only when we quit trying to work it out apart from Him, can we discover what he is able and willing to do for us. A hymn was sung as a prayer.

Mrs. Burton Morton recited "The Little Pilgrim". Mary and Jeanette Dracup sang a duet, "Blessed Assurance". Mrs. Dracup read an article from the clip sheet, "Cherish the Rural Church".

After thanks extended to the hostess and all taking part in the meeting, a hymn was sung and all repeated "The Lord's Prayer. Refreshments were served by the lunch committee.

Mr. and Mrs. Glen Floud Honoured at River Valley

On Tuesday evening, August 3rd, a large number of folk from the River Valley community gathered at the school house and honoured Mr. and Mrs. Glen Floud (the former Linda Ann Morrow) on the occasion of their recent marriage.

Mr. Jack Sager was master of ceremonies and he gave several humorous anecdotes throughout the programme.

Mrs. Sheldon McIntosh conducted the assembly singing and she also rendered two vocal selections and gave her own piano accompaniment.

Selections were read by Mrs. Hadley Richardson and Mrs. Ross Bush. Mr. Kenneth Morrow entertained with a series of movie reels depicting the wedding scenes, the Calgary Stampede, views of Banff, Lake Louise, The Rockies and scenes of various parks in Vancouver, and lastly the 1958 Stirling Centennial.

Mr. Hadley Richardson showed views of the Oak Lake Flying Club, and other scenic pictures.

The bride and groom were seated on the platform and Mrs. John L. Donohoe read an appreciative address and on behalf of the River Valley Community and other friends, the presentation of an electric broom and a magazine rack was made by Garret Bartels and Glenn Brooks.

Both Glen and Linda Ann voiced thanks for the party and gifts and invited one and all to visit them in their new home on the Frankford Road.

The ladies in charge served refreshments and each guest expressed their personal best wishes as they returned home.

This is the masthead slogan of the "News" of Powell River, British Columbia: "If you don't want it published, don't let it happen."

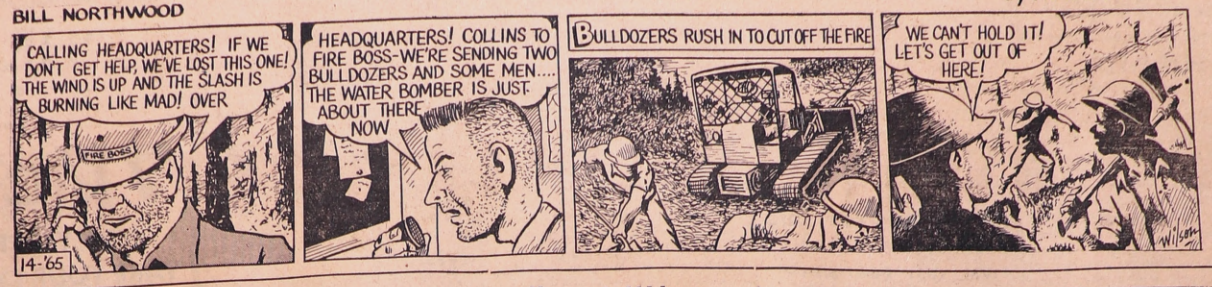
LOW-COST LIFE-INSURED LOANS

BILL NORTHWOOD by FRASER WILSON



Bethel UCW

The July meeting of the Bethel U.C.W. was held at the home of Mrs. Marvin Cooney with fourteen members and eighteen visitors in attendance.

The President welcomed the guests and opened the meeting with a poem, theme hymn and prayer. Roll call was answered by a thought or verse on thankfulness.

The August meeting will be held at the home of Mrs. H. Lyons with Mrs. Lyons in charge of the program and the roll call is to be answered with the name of a favourite hymn.

Mrs. H. Elliott conducted the worship service on the topic "Courage".

There are few qualities in life so honoured among us as courage. Like cowardice, it is two kinds — physical and moral. Physical courage is the more visible and obvious of the two. Moral courage is of a higher quality than physical though it is often unrecognized and seldom praised.

Mrs. S. Hoover, Mrs. Laverne Reid, Mrs. E. McKeown and Mrs. T. Laycock assisted in the worship service with the scripture readings and prayers.

Miss Lois Morton favoured with an appropriate solo. Mrs. Elliott closed the worship period with prayer.

Mrs. D. Heath took charge of the programme. Mrs. Gladys Sine gave an interesting reading and Mrs. W. Heath favoured with a piano solo, "Love and Devotion".

Miss Margaret Dracup was the guest speaker for the afternoon and was ably introduced by Mrs. H. Lyons.

Miss Dracup based her theme on "Love", 1st John, chapter 4. Christians must have love in their hearts. If we don't love, we don't know God. Not our own love, but Christ's love working through us. While we were sinners, Christ died for us. God gave his only son for those who hated him. Let us love God in words and truth. First listed of the fruits is love. God worketh in us. Love never fears.

Mrs. E. McKeown expressed appreciation to the speaker and presented her with a gift. Mrs. D. Heath closed the meeting with prayer.

Mrs. L. Maxwell and the hostess served lunch and a social half hour was enjoyed and Mrs. F. Reid voiced thanks.

Wellman's W.I.

The July meeting of Wellman's W.I. was held on Wednesday, July 28th, at the home of Mrs. Craig Watson, Frankford Road. A pot luck dinner was served at noon to a splendid attendance.

The president opened the meeting with the Opening Ode, followed by all repeating the Lord's Prayer. A welcome was extended to the visitors. Roll call was answered by "A favourite food you remember as a child".

The birthday box was passed and "Happy Birthday" was sung for Mrs. Douglas Clancy, Mrs. Keith Clancy and Karen Clancy. The Penny for Friendship jar was passed. Miss Nancy Tompkins gave the current events.

Mrs. Jim Pollock gave a splendid motto on "Superior nutrition is your best health insurance policy".

Mrs. Burton White introduced the guest speaker, Mr. Jim Clelland, manager of the Belleville Kinsmen Memorial Pool. Mr. Clelland explained the awards and what each certificate meant to each child. He gave a demonstration on artificial respiration. Mrs. D. Clancy thanked the speaker and presented him with a gift.

Mrs. Byron Seeley gave a reading. Miss Nancy Tompkins favoured with an accordion solo.

The president moved a vote of thanks to the hostess and all who had assisted with the programme.

The Harold Snip and Stitch Club was present and their books and blouses were on display.

The meeting closed with all repeating the Institute Creed, followed by the singing of The Queen.

Mount Pleasant

(Mrs. Percy MacMullen)

Approximately twenty-five people from this appointment attended an informal tea and kitchen shower at Rawdon Manse on Thursday afternoon. The report appears elsewhere in this newspaper.

Mr. and Mrs. Herbert Smith spent the week end with Mr. and Mrs. Frank Lain and other relatives in Peterborough.

Mr. and Mrs. Vernon Harry accompanied Mr. and Mrs. Robert Merrick on a ten-day motor trip to the Maritimes.

Miss Raye David, Toronto, daughter of Mr. and Mrs. Ira David was holidaying at Port aCrling, where she met with a freak accident. She is now a patient in the General Hospital, Belleville, where she was brought by ambulance. She received multiple fractures to her leg and knee.

On Sunday morning, at the church service, Mrs. Thomas Sarles rendered a vocal solo, "God Hath Not Promised".

Miss Janet Scott spent the week end with Mr. and Mrs. Raeburn Scott at Norwood.

Recent guests of Mr. and Mrs. Thomas Sarles were Mr. and Mrs. Leslie Herbert, Mr. and Mrs. Howard Searles and John, all of Toronto.

Mrs. Thomas Andrews, Milton, Ontario, spent last week with Mr. and Mrs. Clarence Scott and family. She is now holidaying with Mr. and Mrs. Everett Sine, 8th Concession.

If all the cars in any city were placed bumper to bumper some fool would pull out and try to pass.

WHAT'S BELLEVILLE FAIR FOR

No. Fair is complete without a ferris wheel and kids with candy floss. But this doesn't even begin to tell the story of the 1965 Belleville Fair, opening August 16th. A bigger and greater midway of stellar proportions will be presented by Conklin Shows, of course. But then, the exhibits, displays of farm and industrial products is part of the story, too, along with the famous Belleville Fair horse shows and a growing prize list in all classes.

ANNOUNCEMENT

ONTARIO

Ontario Hospital Insurance will now cover dependent children to 21st birthday

Beginning September 1, 1965, benefits under the Ontario Hospital Insurance "Family" premium will be extended to cover eligible unmarried, unemployed dependent children until they reach their 21st birthday (rather than to the 19th birthday as in the past). This will apply, also, to the supplementary 'semi-private' coverage for which some residents remit additional premiums to private carriers through the Commission.

Separate premiums will be required when such dependants reach age 21, or marry, or become regularly employed. Applications for registration are available in hospitals, banks, Province of Ontario Savings Offices and Commission offices.

The Family premium, however, will cover a person over age 21 who is dependent upon the insured parent or guardian because of physical or mental infirmity, **provided he or she was the insured person's dependant before age 21.**

Refund of Premiums

An unmarried, unemployed person who will now become eligible as a Family dependant under age 21 because of this new regulation, and for whom separate premiums have already been prepaid beyond September 1, 1965, is entitled to a refund of premiums back to that date. **Refunds must be requested** as this is the only means of identifying those eligible. The form at the bottom of this announcement is for the convenience of **Pay Direct** members in claiming this refund. Premiums prepaid through a group (other than as an employee) will be refunded through the group.

Note:

Commission literature is being changed to show the new age limit. In the meantime, please read all references to age 19 in existing pamphlets as "age 21".

(Mrs. Ellis Jones)
(Week of August 2nd)

Guests of Mr. and Mrs. Ralph Heath on Thursday evening were Mr. and Mrs. Charles Heath, Delhi, and his parents, Mr. and Mrs. Everett Heath, Bonarlaw.

Kathy and Karen Thomson and Beth Anderson are visiting their aunt and uncle, Mr. and Mrs. Alan McComb, at Wallbridge.

Wm. Morton, Sr., was home on a 48-hour leave from Kingston General Hospital over the week end. He is scheduled for surgery there this week.

Carol Heath, Belleville; Fred Spencer, Peterborough; Jimmie Gray Jr., and Glen Stewart, of Hanover, were week end and holiday guests of their parents here.

Mr. and Mrs. Fred Petherick, their daughter and husband, Mr. and Mrs. Wally Jackson and family, who are holidaying with her parents, and Mrs. Minnie Morton visited Mr. and Mrs. Fred Petherick at Belleville Sunday and called on Danny Petherick in Belleville General Hospital. Danny fell while climbing a tree on Friday and broke his arm.

Mr. and Mrs. Dick Morton and Mrs. Essie Reid accompanied Mr. and Mrs. Cliff Anderson to Kingston on Thursday, where they visited their brother, Wm. Morton, Sr., in Kingston General Hospital.

Mr. and Mrs. Jack Spencer and boys and Mr. and Mrs. Jim Hagerman and family, Burnbrae, attended the Northumberland Junior Farmers' Chicken Barbecue, at Roseneath on Saturday night.

Mr. and Mrs. Austin Dunk spent Sunday in Toronto where they visited her sister and husband, Mr. and Mrs. Norman Hunter.

Mrs. Vernie Heath and Mr. and Mrs. Cliff Heath and family, Stirling, visited Mr. and Mrs. Ralph Heath on Friday evening.

Mr. and Mrs. Wm. Donaldson and Susan, of Peterborough, were guests of her father, John Stewart, Mr. and Mrs. Ray Stewart, Marilyn and Glen on Sunday, enroute home from a trip to Nova Scotia.

Mrs. Jim Gray, her son, Jimmie Jr., daughter, Nancy, and nephews, Michael and Zane Gray, and Marilyn Stewart, motored to Upper Canada Village on Sunday.

Mrs. Ellis Jones spent an afternoon last week with Mrs. Cora Reid and her sister, Mrs. Moore.

Mr. and Mrs. Wilfred Spencer returned home on Tuesday from a trip which included Upper Canada Village, Algonquin Park and Combermere.

Mrs. Cora Reid and her sister, Mrs. Lila Moore, of Belleville, and Mrs. Bob Reid visited Mrs. Clarence Runnalls, of Harold, on Wednesday.

Alan Foote, of Hoard's Station, is visiting his aunt and uncle, Mr. and Mrs. Bob Reid and family.

Old Landmark Gives Way To Progress

Percy Reid, who has bought the Pollock farm on the side road between the 8th and 9th Lines, finished razing the old Pollock home on it on Monday. It was the home of the late Mr. and Mrs. Wm. Pollock and had not been lived in for many years. The site of the house will be bulldozed to enlarge an already existing field.

Young Couple Honoured At Presentation

Last Friday evening, approximately 100 people gathered at the River Valley School in honour of the newly married couple, Mr. Peter Heasman and his bride, the former Linda Kerr.

Relatives were in attendance from Toronto, Belleville, Scotts, Marsh Hill, Chatterton and Petherick's Corners.

A large bowl of baby's breath and sweet peas was the central decoration. Douglas Detlor was master of ceremonies and he interspersed the programme with several humorous anecodotes. The guests were greeted at the door by Mr. and Mrs. George Heasman and Mr. and Mrs. Peter Heasman.

Mrs. Sheldon McIntosh led the assembly singing with Mrs. Glenn Brooks as accompanist. Mrs. Percy MacMullen contributed a humorous monologue. Harvey Couch with the harmonica, and his son, Kenneth, on the accordion, delighted with several musical selections during the evening. Selections were read by Mrs. Roy Tucker and Mrs. Ross Bush. A piano solo was given by Mrs. G. Brooks.

The honoured couple sat on the platform and Glen Bush read an address from the charivari group and John Craighead made the presentation of a steam iron. Ross Holland read an address on behalf of the River Valley community and neighbours, while Harold Bush made the presentation of a plate glass wall mirror and a purse of money.

Peter replied and thanked the friends for the party in their honour and everyone for the lovely gifts. He and Linda invited all to visit them in their home at Oshawa.

The committee in charge served refreshments and Mr. George Heasman served each guest with a slice of wedding cake as a souvenir of this happy gathering.

MR. AND MRS. LARRY G. PYEAR

PYEAR -- WARREN

St. Paul's United Church was the scene of a pretty wedding Saturday, July 24th, at 4 o'clock, when Mary Ellen Dickson Warren, Toronto, daughter of Mr. and Mrs. George Edwin Warren, Stirling, was united in marriage to Larry Gerald Pyear, Brampton, Ont., son of Mr. and Mrs. Gerald Pyear, of Frankford, Ont. Rev. J. F. Lane, Oakwood, Ont., who had married both parents, was the officiating minister. Mrs. Floyd Armstrong had arranged tall standards of white gladioli and shades of blue delphinium and baby breath that flanked the altar. White bows marked the guest pews.

Mrs. Walter Warren, aunt of the bride, was the guest soloist, accompanied at the organ by Mrs. Harry Brown.

The bride, given in marriage by her father, wore a floor-length gown of rich-textured, pure silk organza over taffeta, with appliques of re-embroidered Alencon lace, scoop neckline and lily-point sleeves. Her regal train of matching organza caught at shoulder and neckline, was outlined by Alencon lace appliques. Her veil was three-tiered, silk illusion gathered to a white taffeta single rose and nylon petals. She carried a circular bouquet of white gardenias and stephanotis. Her jewellery was a single strand of cultured pearls and earrings in chip diamond setting, gift of the groom.

The bride was attended by her three sisters and a girl friend. Mrs. Gerard Ryan, Toronto, wearing green, was matron of honour. The bridesmaids were Miss Marian Warren, in yellow, Miss Fairlie Warren, of Kingston, in blue, and Miss Marilyn Anderson, of Toronto, in pink.

The gowns and hats, designed by the bride, were floor-length, made on simple lines, scoop necklines, with short sleeves made of a daisy embossed dacron over faille in four shades. The dresses had controlled skirts, empire waistlines, emphasized with velvet ribbon, flat bows and streamers at the back. The matching hats were large and crownless. The girls wore short, white lace gloves and carried white baskets of shasta daisies, bows matching their dresses.

Mr. Earl Cranfield, of Hamilton, was groomsman and the ushers were Gerard Ryan, Toronto; Ray Nelson, Hamilton, and Bob Neal, Stirling. All men were attired in white jackets, black trousers, black bow ties and black satin cummerbunds.

The reception, held in the Church Hall, was buffet-style with tables beautifully arranged by Mrs. R. A. Patterson. Friends of the bride, Misses Carol Sharpe, Rosalyn Rodgers, Sharon Baker and Lois Morrow, served the beverages.

The bride's table was decorated with a three-tiered wedding cake, tulle and flowers, bride's bouquet, bridesmaids' baskets, silver candelabra and pink candles.

The bride's mother wore a two-piece suit of pure silk shantung in powder blue. The sheath dress had a bodice of blue and white silk braid in scroll effect. Her turban style hat was topped with shaded blue flowers. Her accessories were white and her corsage was of double white gardenias.

The groom's mother wore a sheath-style, pink silk suit with the overbodice of dress being a shell of pink lace. She wore a large pink straw and nylon hat, white accessories and corsage of white carnations, centred by pink sweetheart rosebuds.

The bride's travelling costume was buttercup yellow linen coat-effect, with printed yellow and white pure silk sheath dress, white accessories and corsage of white carnations, centred with yellow rosebus.

On their return from a trip to the Northern Lakes, they will be residing in Toronto.

Previous to her marriage, Mary Ellen was honoured at a miscellaneous shower, given by Miss Marilyn Anderson. In Toronto, the office girls of G.M.I.C. held a miscellaneous shower and an office presentation. A trousseau tea was held in her honour by her mother and a rehearsal party was given by the groom's mother, in Frankford.

Mount Pleasant UCW Meeting

On Wednesday afternoon, August 4th, sixty-eight people gathered at Mount Pleasant - Rawdon church hall when the United Church Women entertained the Messenger Group.

Mrs. Harry McAdam, president of the U.C.W., welcomed the children and their leaders. Carolyn Merrick acted as pianist.

Plans were made for a tea at the Rawdon manse in honour of the new bride, Mrs. W. C. Cox, and the Rev. Cox. The manse board was given a donation.

Judy McAdam presided over the Messengers' programme and she thanked the U.C.W. for the afternoon in their honour.

Vocal duets were sung by Isabel Hoard and Kimmy Graff and by Debbie Graff and Jeannette Hoard. Selections were read by Frank Hubble, Kenneth Sharp and Kathy Sharpe. Randy Scott played a harmonica solo. Piano selections were contributed by Margaret Hoard and Janet Scott. A vocal selection was given by Gail Merrick. A special item was in charge of David Graff, Douglas Couch and Mrs. Marguerite McMullen. Judy McAdam and Linda Potts played a piano duet, and Janet Scott and Janet Spencer gave a humorous playette. Mrs. David Potts conducted a fish pond and the children received small parcels.

Mrs. Oscar Merrick and several of the U.C.W. members served refreshments.

Rawdon Manse Committee Sponsors Informal Tea For Newlyweds

On Thursday afternoon, August 5th, over fifty people from the three appointments on Rawdon Charge and two visitors attended an informal tea and miscellaneous kitchen shower at the Rawdon Manse for the newyweds Rev. Wilbert C. Cox and Mrs. Cox.

There was a good representation from Mount Pleasant, Wellman's and Bethel.

The gifts included a large array of canned goods, homemade jam, a variety of vegetables, cheese, eggs, sugar, tea towels, tablecloths, casseroles and many other useful articles.

The informal tea was sponsored by the six ladies of the Manse Committee of the Rawdon Charge: Mrs. Raymond McConnell and Mrs. Burton Sharpe, Mount Pleasant; Mrs. Alfred Aikens and Mrs. John Carlisle, Wellman's; and Mrs. Thomas Laycock and Mrs. Edgar McKeown, of Bethel.

These ladies provided the refreshments and served them and were in full charge of this miscellaneous shower in honour of the new minister and his bride.

The newlyweds were very appreciative of this party in their honour.

THE BIBLE TODAY

A problem Christians are constantly having to face is how to dispel the feeling among many young people who have not read the Bible that it is old-fashioned and unreadable.

An attempt has been made by the Danish Bible Society to make the Bible meaningful to young people. Challenged, says Miss V. Jensen, Bible Society Secretary, by young people saying, "I feel the dust falls on me when I pick up a Bible," the Society decided to make a phonograph record of Bible reading by the most famous Danish actor, Poul Reumert, who kindly gave his services free of charge. The record is presented in a bright, attractive sleeve designed by a contemporary artist. Many people, of course, bought the record to hear the actor's voice. But as a result, a considerable number of letters are received from people enquiring about the readings. Many say, "Where can I get a Bible like that?" Miss Jensen also speaks to many groups of young people, impressing on them that the Bible is to be read not only by those in "missionary" countries, but by themselves.

Fleming Family Reunion

On Sunday, July 25th, 1965, the Fleming family held their 29th annual reunion at the Col. Roscoe Vanderwater Park, Thomasburg. The gathering was favoured with sunny skies and many happy children. A record of the names and addresses of those present revealed 136 in attendance, coming from neighbouring villages and from Oshawa, Toronto, Kingston and Ottawa.

The afternoon began with a plentiful picnic lunch, after which the Vice-President, Elmer Wood, extended a warm welcome and hoped that all would enjoy the day. He expressed regret that the President, Mrs. K. Nicol, was unable to attend due to illness but wished her well.

The secretary read the minutes of the 1964 reunion and these were adopted on motion of Mr. Clifford Ray and Mrs. Maude Rollins.

The treasurer, Mr. Ray Grant, of Belleville, gave the treasurer's report and moved its adoption.

A report of the historian, Mrs. Harold Francis, revealed that there had been three marriages, seven births and four deaths in the Fleming clan during the past year as follows:

Marriages — Claire Constance Wickens to Delbert Wayne Francis; Sharon Anne Devolin to Walter Daniel Francis; Deanna Mae Edwards to Edmund Delbert Fleming.

Births — Sara Elizabeth, daughter of Mr. and Mrs. Stewart Elliott; William Richard, son of Mr. and Mrs. Lorne Cooke; Susette Adell, daughter of Mr. and Mrs. Dennis Downey; Scott Kenneth, son of Mr. and Mrs. Ken Adams; Nicholas Edward, son of Mr. and Mrs. Edward W. Fleming; Eleanor Lynn, daughter of Mr. and Mrs. Robert Vance; Patricia Lynn, daughter of Mr. and Mrs. Douglas Wright.

Deaths — Mrs. Hugh McMullen, Mr. Fred Reid Mallory, Mrs. William A. Love and Warren Haggerty.

After this report, a moment of silence was observed in memory of those deceased.

Mrs. Ray Grant distributed special prizes to the following:

The latest bride, Mrs. Daniel Francis; the youngest member of the clan present, Miss Patricia Wright (six months); eldest lady, Mrs. Richard Fleming; eldest gentleman, Mr. Richard Fleming; the one travelling the farthest distance to attend the reunion, Mr. and Mrs. Douglas Wright, Ottawa; lucky spot prize to Mr. Percy Ray.

Comment was made on the fact that the historian's job was a very difficult one in a family of this size and a motion was made by Mr. Harry Rollins, seconded by Mr. Percy Ray that the head of each branch of the family be asked to assist in bringing the family tree up to date and that a loose leaf note book be purchased for the historian to assist in this endeavour.

An election of officers for the 1965-66 period was conducted by Mr. Bob Woods, with the following results:

Honourary President, Mrs. A. D. Runnalls, Frankford; Past President, Mrs. K. Nicol, Madoc; President, Mr. Elmer Wood, Crookston; First Vice-President, Mr. Clifford Ray; Second Vice-President, Mr. Carman Downey; Secretary-Treasurer, Mrs. Edward W. Fleming; Historian, Mrs. Harold Francis; Sports Convenor, Mrs. Delbert Francis; Sports Committee, Mr. and Mrs. Clifford Ray and Mr. and Mrs. Elwood Kerruish.

A nominating committee, made up of Mr. Harry Rollins, Mr. Ray Grant and Mr. Jack Francis, was appointed to hand in a slate of officers for the coming term.

A motion was made to hold the reunion for 1966 at the Park in Tweed on the third Sunday in July.

The Fleming Trophy is to be presented at the Belleville Fair this year by Mr. Willie Ray.

This concluded the formal business of the reunion and everyone disbursed to take part in various sports. Mrs. Delbert Francis organized games and races and was assisted by the above-mentioned members of the sports committee. The small children enjoyed wading in the river and a fine game of ball was played by the men and boys in another part of the park. Gifts were handed out to the children by the sports convenor, Mrs. Delbert Francis.

Some were able to stay on for an evening picnic and a social time after which Mr. Jack Francis provided some guitar music.

It proved to be a very happy day for all and everyone is looking forward to another meeting of the clan next year.

First Hole-in-One For Campbellford Golf Course

A Campbellford golfer, Tom Holmes, scored the first hole-in-one ever recorded at the Pine Ridge Golf Club, 8 miles south of Campbellford on Highway 30, recently. The course opened just over a year ago.

Tom was playing with Bill Storey and Tom Donald, also of Campbellford. Tom sank his first tee shot on the 152-yard 5th hole. Bill Storey, who played the shot immediately before was within a foot of the pin. All three are members of the Club.

Restaurant On 401 Scene of Explosion

Three persons were taken to hospital in Trenton following an explosion near the washrooms and boiler room of Horne's Restaurant and service centre on the eastbound lane of the MacDonald-Cartier Freeway (No. 401 Highway) just west of the Wooler interchange on Saturday evening about 7 p.m. The restaurant was immediately vacated and temporarily closed pending investigation. The building was severely damaged and the washrooms wrecked. Fortunately the latter conveniences were unoccupied at the time.

Two Belleville Children Killed By Lightning

A quiet week end in the outdoors ended in searing tragedy for a Belleville family Saturday night.

Instantly killed when lightning struck their tent at Canoe Lake, 20 miles southeast of Sharbot Lake were Dawn Polmanteer, 6, and her three-year-old brother, Dennis, children of Mr. and Mrs. Bruce Polmanteer, 33 Byron Street, Belleville.

The Polmanteers had gone camping with their next-door neighbours, the family of Mr. and Mrs. Jack Hughes.

Rylstone W.I.

Rylstone Women's Institute met at the Sunday School Room of Zion Church for their August meeting. Co-hostesses were the President, Mrs. Lindsay Anderson and Secretary, Mrs. Jack Watson. There was an attendance of eight members and two visitors.

The Institute Ode and the Lord's Prayer opened the meeting and roll call was answered by "An interesting sample of goods made in Canada".

Business included discussion on forming a new Girl's Club and the "Adelaide Hoodless" silver spoons. Plans were also made for an assorted exhibit at the Belleville Fair. Mrs. Ernest Irwin reported briefly on the Centennial Park Project and Guelph Conference.

Some remarks on the District Annual meeting were given by Mrs. Don Kerr, who also gave the motto, "The Better Life". Mrs. Don Stewart was convenor for the brief programme: A reading, "A New Cow", by Mrs. Ernie Rowe and 2 contests, "Jumbled Animals" and a "Can Contest", conducted by Mrs. Gerald Petherick and Mrs. Jack Watson. Lunch was served by the hostesses.

E. Sandercock Recuperating At His Home

Elmer Sandercock, Deputy Speaker of the Ontario Legislature, now is recuperating at home following a stay in hospital.

He said he hopes to relax in the next few weeks at his Belleville home — a time of year when provincial legislative business is at a minimum of activity.

However, while public business may be light, he could have much personal correspondence to deal with.

"I received no end of good wishes while I was in hospital," he said. "Not only gifts of flowers and fruit, but letters and cards came in, not by scores — but in stacks."

For Fast Driving Four Pounds More

Automobile tires should be inflated four pounds above the recommended normal pressure for extended high-speed driving, cautions the Canadian Highway Safety Council. Heat is a tire's worst enemy, the Council learns from the Rubber Association of Canada, and rapid flexing at high speed can cause excessive heat build-up in a tire. This can lead to premature tire failure, even a blowout.

Inflation higher than the recommended pressure reduces the degree of flexing and keeps heat to a minimum. The association also advised that pressures should only be checked when the tires are cool.

OF MANY THINGS

by Ambrose Hills

RISING PRICES

Housewives have headaches on shopping days. They find so many items steadily inching up in price. Who should they blame it on?

My belief is that we've brought these price increases on ourselves by encouraging governments to tax and spend. Included in the cost of everything we buy is that unseen ingredient — the share the tax men took all down the line.

As a result of heavy government spending and consequent taxing, both Canada and the United States are experiencing inflation. It is worse in the U.S.A. than it is in Canada, because in the States labour has been severe in its demands and between it and government, the impetus given to prices has been tremendous. In Canada, labour has been more reasonable, because our labour leaders know that rapidly rising wages are of little use if productivity doesn't match the increase.

One cause of heavy government spending is the shared cost idea. Provincial governments undertake projects because part of the money comes from the central government. If they had to raise it all themselves, they'd be more prudent.

Most of the big projects go to big cities. It is true these biy cities experience a boom and create a lot of jobs, but the farmer or small-towner who shares the cost is getting hit hard. He ought to be screaming to high heaven about it; but governments have managed to make it appear reactionary to condemn any project that appears to be for the public benefit.

True, we all like good roads, fine buildings, beautiful parks and the like, and these should be developed as we can afford them. What is to be deplored most is the proliferation of government boards and bureaux, travelling royal commissions, expensive but often ill-conceived welfare schemes that will create "badfare", if there is such a word.

What is needed most in the field of welfare today, for all the people, is a dollar that is worth a dollar and will buy a dollar's worth of food, clothing and shelter.

Too many people are looking for less to do, more time to do it, and more pay for not getting it done.

You can probably guess whose fault it is when a boss has to be a crank to get things started every morning at the office.

Glen Ross Wins Stirling Invitational Young People's Softball Tournament

Rod Webb Trophy Was Presented to the Winners — Plainfield Runners Up

(By Bob Taylor)

Glen Ross came up with an outstanding game at the precise time and defeated the defending champions, Plainfield, 15-6 in the final game on Saturday night to win the two-day tournament and the Rod Webb trophy.

Glen Ross didn't even rank among the favourites at the start of the tournament but kept slipping in narrow victories until the final. Plainfield, Rawdon and Spring Brook were among the favourites.

Rawdon got into the consolation final winning on a forfeit over Centenary. Plainfield eliminated Spring Brook with Marg Reid pitching the win. Linda Bateman, who had given up only two runs in two previous games, toiled for the losers. Spring Brook had not been defeated since they were beaten last year in the tournament by Plainfield.

Glen Ross eked out a narrow 5-3 victory over Eastminster with Bonnie Visser starring for the winners, recording 14 strikeouts. Bob Taylor, Fred Keating and Garry Sayers each homered for the winners. Foxboro also advanced to the consolation round finals dumping Eastminster by a count of 15-9. Ann Emerson pitched the Foxboro victory. Glen Ross reached the finals ousting Thomasburg 17 to 12. Gary Sayers bombed two homers for the winners and Bob Taylor had a solo four-bagger. Bonnie Visser started on the mound and got credit for the win, pitching four innings and fanning four batters before being rested for the final game. Theresa Golden finished up for Glen Ross with Donna Morton hurling for Thomasburg.

Rawdon Were Consolation Winners

Rawdon won the consolation round edging Foxboro 9-5 behind stalwart performances from Lyle Couch, Ken McConnell and Fred McAdam. Nancy Tompkins, Rawdon's ace southpaw, pitched the win, with Ann Emerson being charged with the loss.

Final Game

Glen Ross led Plainfield from the first inning and never gave the defending champs any opening in which to get back into contention. Gary Sayers blasted three homers for the new champs with Bob Taylor and Linda Johnston, the only girl to hit a homer in the tournament, getting round trips. Bob Smith (2) and Don Reid homered for the losers.

Bonnie Visser was steady on the

Merchants Make Plans to Hold Special Events During Fair Week

Free Tickets On Draw For A Pony — Special Buys Offered By The Merchants

The retail merchants' section of the Chamber of Commerce held another meeting last night (Tuesday) to make final plans for Fair promotions and activities planned. Western Days will be featured. President Les Rawlings chaired the meeting.

Draw For Pony

One of the features of Fair Week — August 27th to September 4th — will be a draw for a pony. Free tickets will be given out with each purchase at participating merchants' stores and on Friday night, September 3rd, the draw will be held at the four corners.

To Appoint Deputy Sheriff

Another highlight of the week will be the appointment of a deputy sheriff for the week which will cause considerable merriment as he tries to keep the local "hoss traders" on the straight and narrow path. It has also been suggested that a set of stocks be placed at the Dairy parking lot for those who run afoul of the deputy. Watch for the Stirling sheriff who will keep the bad guys out of town.

Plans are also complete for the local merchants to publish a full page advertisement in the News-Argus next week, listing their outstanding features for Fair week. An additional one thousand copies of the paper will be printed and one will go into every home in Stirling and district.

Support your home-town merchants in their endeavour to promote Stirling Fair — Friday and Saturday, September 3rd and 4th.

Watch for next weeks' paper for some outstanding buys and for a complete programme of events planned for the week.

Hastings County Farmers Will Receive Drought Relief

Application Sheets Will Be Mailed By Department of Agriculture To Farmers

The Minister of Agriculture for the Province of Ontario has designated Hastings County as one of the areas to receive assistance under the 1965 Federal-Provincial Drought Relief Program. Each county or district in the designated Drought Area will be assessed on the basis of productivity of the 1965 crop year relative to average crops. Each county or district will receive an allotment per animal unit based on individual county or district assessment. A subsidy will be paid on oats, barley, wheat, shelled corn, ear corn, balanced rations for dairy and beef cattle and hay. Farmers will be eligible for assitance at the rate of $30.00 per ton on oats, barley, wheat, shelled corn and balanced rations for dairy and beef cattle. In the case of ear corn, the rate will be $24.00 per ton and for hay, $15.00 per ton. Because of the scarcity of hay, the maximum utilization of grain will be necessary. For this reason, the subsidy level favours grain use.

Hastings County farmers should note the following: the rating of the county has not yet been announced but will be shortly. The information sheets, the instruction sheets and the application form will be mailed as soon as they are received by the Ontario Department of Agriculture office, Stirling, to all farmers in the county. Names are being listed from the most recent postal directories. There is a good chance because of people moving and sales of farms that not everyone will get a copy. Spare copies will be available at the office in Stirling. Please note that these sheets have not yet been received and also that they will be put in the mail as soon as they come to the Stirling office. A farmer not receiving a copy, but knowing that his neighbours did, should wait about two days to allow for late mail delivery. If he still has not received the information, he should then contact the Ontario Department of Agriculture office at Stirling. This depends on whether he needs help with his feed program or not.

Basically, those farmers requiring assistance will have to complete an application form. This form contains an affidavit and these two points must be fully completed before being submitted to the Stirling office of the Ontario Department of Agriculture. Properly completed applications will be approved and forwarded to the responsible officer in charge in Toronto. His office will then make out a statement of what the applicant is entitled to. Following that, the claims for assistance will start to be processed.

The whole program is aimed at giving assistance on the basis of actual needs.

River Valley W.I. Entertain 4-H Girls' Club And Their Leaders

The August meeting of River Valley Women's Institute was held at the School House on August 5th with fourteen members, one visitor and the 4-H Club girls in attendance; also several children.

The president, Mrs. Glenn Bush, opened the meeting in the usual manner with the Ode and the Collect.

Mrs. Gerald Brooks, leader of the 4-H Girls Club, arranged a very fine display of the girls' work and record books at the rear of the school rooms.

The platform depicted charts, swaths of materials, patterns, and a lot of helpful information for teens on the subject, "What Shall I Wear?". Mrs. Brooks gave a very informative message, centred around a variety of subjects. She said the objectives are to help girls plan their wardrobes in order to get satisfaction from their clothes. She gave several tips for good clothes' value and stressed that extreme fashions should be avoided as simple styles are always right. Another special point in purchasing material is to consider the cost of dry cleaning versus laundry. The charts showed a variety of figures for all types of girls.

Another chart gave full directions, showing clothes to suit every occasion: school, travel, parties, etc.

To be well-dressed, a girl should be neat and clean, with particular attention to such items as hair, shoes, costume jewellery, hats and gloves. Everyone should be aware of the fact that hat and gloves are not called for after five o'clock. Mrs. Brooks closed with a quotation by George D. Prentice: "Those who think that in order to dress well it is necessary to dress extravagantly or grandly make a great mistake. Nothing so well becomes true feminine beauty as simplicity.

Two piano selections were contributed by Jane Bush and Trudy Bush.

At the recent Achievement Day in Belleville, the River Valley 4-H Girls Club staged a short playette entitled, "A Well-Planned Shopping Trip". The girls who gave this at the meeting were: Judy Bush, Shirley Ann McDonell, Joyce Carr, Jane Bush, Connie Tucker and Trudy Bush. The girls then distributed a large selection of sewing leaflets to the Institute members, which contained much useful information.

The business followed with Mrs. Ernest Carr giving a full account of recent meetings. She also distributed the Summer Home and Country magazine and a booklet entitled "Frozen Foods", courtesy of the Ontario Dept. of Agriculture.

Several members attended the Pine Grove W.I. Tweedsmuir Tea and Mrs. Roy Bush displayed several old school books in their antique gallery.

Mrs. J. R. Donohoe gave the treasurer's report for two months. For the swimming class in Belleville, the children paid $139.00, the Red Cross $100.00 and thirty Institute members each contributed one dollar. The balance was taken from the Institute treasury fund.

The convenors gave interesting items re British Columbia as the group is starting to study Canada. Mrs. Roy Tucker, Mrs. Norman Rosebush and Mrs. Ross Bush each gave items of interest. The displays included a map of that province and a picture of the one and only Golden Evergeen Spruce in the world, which grows in British Columbia.

Mrs. Percy MacMullen read an A.C.W.W. airmail release about The Lady Aberdeen Scholarship. This project has provided training for local leaders in many countries. The pilot project in Bengal trained 116 leaders in six villages in one year. Four from each village then took part in a three-day leadership camp where they discussed health, sanitation, family planning, mother and child care and nutrition. Other items are taught such as handicrafts, sewing and kitchen gardens. Each of the six villages have an Institute group where mothers attend classes and the children are cared for by a trained children's nurse.

In Rhodesia, the African Homecraft Clubs have been very successful. A new departure is a year's professional training for an African girl.

In Natal, a special scholar is taking a course in social work at the University College of Zululand.

Students have been sent to Northern Ireland and Denmark to be taught a new training program. The results have been exciting and have proved very valuable.

Mrs. Roy Tucker read a very interesting letter from The Letter Friend Secretary as written in The Countrywoman magazine. She also told the story of a packet of seeds and the wonderful results of friendship.

A Wisconsin correspondent stressed that teen-agers owe their country something and should be willing to help with usual duties. The Pennies for Friendship were gathered.

The September meeting, to be held in Thursday, Septembre 2nd, is based on Canadian Industries. The members are asked to meet at Ray Mallory's Apiary, Frankford Road, at 1.25 p.m. for a special tour. The regular meeting will follow at the home of Mrs. Clarence Chard.

The correspondence was read and the short course, "Choosing Fabrics", will be held in the School kitchen on March 8th, 1966, with the instructor Miss Mary Ellen Foote.

The Fall 4-H Club, entitled "The Club Girl Entertains", will be in charge of the leaders, Mrs. Gerald Brooks and Mrs. Roy Irvin. Mrs. Roy Bush spoke briefly re the Tweedsmuir History Book.

Following the business, the Institute Grace was sung and the Agriculture Group served refreshments under the direction of Mrs. Allan McDonell.

Mrs. Roy Bush voiced appreciative thanks to all who had made the meeting a success.

Two children from Traceyville, Quebec, Sandra and Beverley Huth, attended the meeting.

During the lunch hour, guests who were visiting River Valley Pioneer Cemetery, were invited in and these people were from Streetsville and Etobicoke.

Hamilton Firm To Build $7 Million Hospital at Belleville

Mr. A. McLean Haig, Chairman of the Board, Belleville General Hospital, issued the following statement following a special meeting of the Board Thursday night:

"At a special meeting of the Board of Governors of the Belleville General Hospital, held Thursday evening, August 12th, seven tenders were opened for the new hospital construction. The lowest tender was submitted by Robertson Yates Corporation Ltd. of Hamilton at $7,137,000.

"The architect has been directed to analyze the tender and return to the Board of Governors a net figure, which can be submitted to the municipal councils for their approval.

Included in the main bid were the mechanical subcontractor, Harold R. Stark Ltd., of Oshawa, and the electrical subcontractor, Industrial Electric Contractors Ltd., Peterborough and Toronto.

The Board was very pleased with the quality and the amount of the tender."

Election In Fall Possible

Within the next few weeks, Prime Minister Pearson is expected to end months of speculation by deciding whether to call a fall general election or try to carry on indefinitely at the head of a minority government.

Informed Liberal sources say that practical political factors point to a Fall vote or none until at least late 1966. They say a majority of the cabinet is pressing Mr. Pearson to make it now rather than later.

EXHIBIT AT LOCAL FAIR

Don't forget that Stirling Fair is only a few weeks away — Friday and Saturday, September 3rd and 4th. Now is the time to decide to become an exhibitor. The primary need of any fair is exhibitors, and in order to increase their numbers, the directors have gone over their prize list and many changes have been made. A Western Games programme will be introduced this year and is expected to draw horsemen from as far away as Montreal.

The directors in charge of preparations are sparing no effort to make this year's Fall Fair the best in the district. Farmers of the district are urged to exhibit their livestock and vegetables at the local Fair. The ladies' sections of the prize list have been completely revised and should be of considerable interest to exhibitors and Fair patrons.

The prize lists are now available and every prospective exhibitor should make a point to receive one and take advantage of the prizes offered.

Remember the date — Stirling Fall Fair, Friday and Saturday, September 3rd and 4th.

CANADA NEEDS CANADIANS

The population estimates for this country are approaching the 20 million mark, but current news and debates raise the question as to just how many of thes e residents are entitled to be called Canadians. We have so-called citizens of Ontario, Quebec, British Columbia and Newfoundland; we have English-speaking Canadians, French-speaking Canadians, Canadian Indians, Italo-Canadians and Asiatic Canadians; United Empire Loyalists and New Canadians; Protestant Canadians, Roman Catholic Canadians, Jewish Canadians and agnostic Canadians; affluent Canadians and underprivileged Canadians.

It's time Canadians, without hyphens or adjectives stood up to be counted.

We don't need everlasting Dominion-provincial conferences and inter-provincial conferences. The Parliament of Canada was designed and empowered to speak for all Canadians everywhere. It is elected directly or appointed indirectly by the people of this country, to govern in every field except those which are exclusively local. Its executive arm, the government, has the sole and exclusive task, responsibility and right to speak for this nation to all other nations, and in the parliaments of nations. Its judicial arm is the absolute and final arbiter as to what is legal and what is not.

That Parliament, its executive and the judiciary, have a solemn obligation to guard and preserve ancient cultures and traditions, whether native or contributed, jealously to protect minority rights, and to ensure equality of opportunity and justice for every citizen. But its fundamental trust is to govern a nation, one and invisible, whose people are loyal and united Canadians, not hyphenated nonentities. — The Cochrane (Ont.) Northland Post

A man never becomes so lost to decency and righteousness that he can't see the other fellow's duty.

It's a funny thing that the other fellow's job is always an easier way to earn a living. Trouble is, he seldom realizes it.

While the death rate from influenza, bronchitis and pneumonia has been almost halved in Canada in the past thirty years, the number of deaths from motor accidents has almost doubled. That's progress.

Charge Six Men With Conspiracy In Theft of Deloro Cobalt

In a swift series of arrests, provincial police have charged six men in connection with the disappearance of more than $600,000 worth of cobalt from a government stockpile in Deloro. Police said they had traced the missing cobalt to Europe and the United States.

Five of the suspects were arrested in Belleville and district and were briefly arraigned for bail in magistrate's court on Thursday, August 12th.

The sixth is a Peterborough man who, police said, would be surrendered by his lawyer.

All are charged with conspiracy to commit theft.

They are: Leonard Vigodda, 27, and his father, Samuel Vigodda, 50, operators of Markel Metals and Minerals, Belleville; Bernard Boulter, 25, Belleville, and Herbert Maracle, 40, of Marysville, both labourers; William Regan, demolition superintendent at Deloro Smelting and Refining Company; Irving Moldaver, 50, Peterborough scrap metal dealer.

Regan is a former reeve of Deloro village and Moldaver, a past president of the Peterborough district council of the Boy Scouts Association.

Inspector G. A. Duguid, of the provincial police Criminal Investigation Branch, said the cobalt had been traced to the United States and Europe.

Some of it, he added, had been found in a metal-processing plant in Texas.

The balance of the cobalt — used in metal-hardening processes — had been "consumed" the inspector said.

May Be U.S. Charges

Asked if charges might be laid elsewhere in the case, he replied: "They are contemplating a number of prosecutions in the United States."

"We know where it (the cobalt) all went," he added.

Inspector Duguid said Markel Metals and a Peterborough scrap company both had contracts for demolition of property on the Deloro site. The company went out of business about 1958.

The OPP — in whose jurisdiction the strategic metal vanished, was assisted in the probe by Britain's Scotland Yard, the FBI and the U.S. customs service.

In addition, Regan was arraigned on a count of conspiracy with "persons unknown" between September 1963 and March 1965.

An estimated 150 tons of the refined metal — universally used in steel processes — was missing. At current market prices this placed the value of the loot close to $650,000.

The cobalt had been stored at Deloro since 1958, when Deloro Mining and Smelting Company closed down. A production offspring, Deloro Stellite, was set up in Belleville.

Questions In House

Questions on the cobalt were asked on the Commons floor. Both Industry Minister C. M. Drury and then Minister of Justice Guy Favreau were questioned on implications of the case.

Mr. Drury emphatically reiterated June 28th that the government was holding Deloro responsible for safety of the stockpile.

The company, he said, had contracted with the federal government for storage of the cobalt.

The stockpile dated from the days when cobalt was considered a strategic material. But, he added, with world consumption now running at 12,000 tons a year, it was no longer considered so critical.

Secrecy Keynote

Secrecy was the keynote of the probe and both officers maintained silence against persistent press curiosity. However, the investigation moved in surges; some of the ripples surfaced and were noticed by reporters.

In mid-July raids, police were reported making searches in the Peterborough area. Inspector Duguid confirmed there had been developments in the case at that time.

July 29th, the inspector confirmed for reporters he was leaving Ontario and said his trip would wind up the major part of the investigation.

The following day ,the search dramatically switched to Belleville when parties of provincial and city police staged several raids around the city.

(Mrs. Clarence Fitchett)

Mrs. H. Ashley attended the Ketcheson Family reunion held recently at the Tweed Memorial Park.

Miss Sharon Reid has returned home after spending a pleasant holiday visiting with friends and relatives in Edmonton, Vancouver and Victoria.

Mr. and Mrs. Earl Scrimshaw, of Belleville, were recent visitors at the home of Mr. and Mrs. Bruce Stapley.

Bruce and Terry Kovach spent last week visiting friends at Port Hope.

Ronald Nelson, of Warkworth, spent last week with his cousins, Wayne and Keith McMullen.

Mrs. Gilbert Finkle, Misses Nancy, Jackie and Kathy Finkle, called at Mr. and Mrs. Maurice Clancy's on Thursday afternoon.

On Tuesday of last week, Mrs. Maurice Clancy and Mrs. Clarence Fitchett were among those present at the birthday party given for little Miss Mary Nelson at the home of her aunt, Mrs. W. Harlow, in Stirling. During the afternoon, Mrs. M. Clancy supervised several amusing games for the children; also pictures were taken of those present. Later the children were seated around the festive table; Grace was said and dainty refreshments were served, including the prettily-decorated birthday cake and ice cream. Friends all joined in wishing Mary many happy birthdays.

Mr. and Mrs. Clarence Fitchett attended the morning service at Melrose United Church and were Sunday guests at the home of Mr. and Mrs. Elliott Embury.

On Wednesday evening of last week members of West Huntingdon Sunday School and a number of their parents motored over for a game of baseball with the members of Eggleton Sunday School here. At the finish, cookies and lemonade were served by the Eggleton group and a social half hour enjoyed.

Robert and Fred Sills, of West Huntingdon, have been holidaying at the home of their grandparents, Mr. and Mrs. Raymond Chambers.

On Tuesday night of this week, members of Eggleton Sunday school journeyed to West Huntingdon for the second baseball game. A nice number was in attendance. At the close, refreshments were served by the West Huntingdon group. Each team was a winner on its home field.

On Wednesday, Mrs. Maurice Clancy attended the School of Bay of Quinte Conference, United Church Women, held at Albert College, Belleville.

Bank of Montreal Review Warns of Uncertainty In Future External Trade

Although Canada's economic conditions are continuing buoyant and future prospects are good, some warning signs can already be seen in the business outlook, according to the Bank of Montreal and in its Business Review for July, just issued.

The B of M notes that in both Canada and the United States, the strength of last year's business activity has "'continued at a good pace" into this year and industrial production, already 35 per cent higher than in 1961, is still expanding.

But the bank warns of uncertainty in the future of external trade, a major source of strength during the current business expansion, with the gap between imports and exports unfavourably.

Prices Rise

"Further uncertainty, both for Canada's external trade and for general economic conditions in this country, could rise from a continuation of price increases such as have taken place in wholesale prices recently," the B of M states.

The first signs of "strong upward pressure on prices" appeared in late 1964 and, between October, 1964, and June, 1965, wholesale prices in Canada rose by over 3 per cent.

"Certainly these increases as yet indicate only mild inflationary pressure compared with the record in most countries," the bank says.

"However, they do pose, especially for Canada, a somewhat greater danger of spiralling prices than has been experienced in recent years since they come at a time when the economy is operating much closer to capacity, when substantial wage increases are being gained and when there is an increasing incidence of labour disputes resulting in work stoppages."

Business Outlook

The warning on prices was one of several raised by the B of M in a review of the current business outlook.

However, it notes that Canada's economic conditions are continuing buoyant and that future prospects are good, with the strength of last year's business activity continuing "at a good pace" into this year.

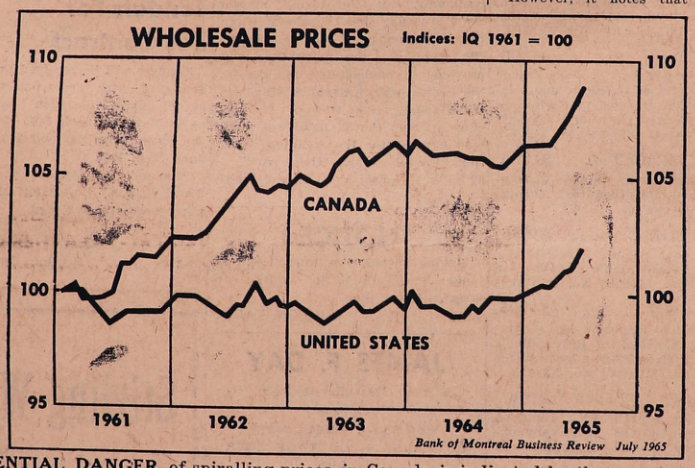
In addition, plans for capital expenditure this year which already call for a substantial increase appear to have been revised upwards in recent months.

Further Expansion

However, the B of M says "there is a real question whether any further sizable expansion in capital spending . . . could be achieved without causing considerable distortion." It points out that additional demands would be placed on already short supplies of certain categories of labour and materials, intensifying existing pressure on prices and costs, and that imports could rise strongly to meet heavy demand for machinery and equipment.

But the bank says that official forecasts of growth for 1965 will be easily achieved in current dollar terms, even without taking into account the possibility of a bumper grain harvest in the West. "However, the various uncertainties . . . sugest that slowing down in real terms of the current rather heady rate of advance may be inevitable before too long, especially if oveheating becomes clear enough to require a more positive degree of monetary restraint."

Nevertheless, there are many favourable elements in the present situation. "With longer run prospects so good, the adjustments that may be required in the months ahead should be easier to make, particularly if due attention is paid to the warning signs already in evidence.



POTENTIAL DANGER of spiralling prices in Canada is indicated by the recent rapid rise in wholesale prices, as charted by the Bank of Montreal in its uly Business Review. Consumer prices and most other prices also rose.

Change In Dependants Age Limit

Beginning September 1st, dependent children will be covered by Ontario Hospital Insurance under the "family" premium until they reach their 21st birthday. An official announcement of the change, which was first mentioned by Dr. M. B. Dymond, Minister of Health, in the Legislature on June 7th, was published by the Ontario Hospital Services Commission recently. The age change will also apply to the Blue Cross and CUMBA semi-private coverage for which about one-third of the insured residents remit additional premiums through the Commission.

Dr. John B. Neilson, Chairman of the Commission, indicated that the new age limit is being introduced because of the increasing number of students among young people in this age group. He added that only unmarried, unemployed children are eligible for coverage as dependants under their parents' or guardian's insurance and that separate premiums must be paid when the dependant reaches age 21, or marries, or becomes regularly employed. However, Dr. Neilson did explain that exemption is provided for students who take temporary employment during their school vacations. The annual reduction in premium income to the Commission, due to the new age limit, is estimated at $3.5 million.

Dependants Over 12

The family premium also covers a person over the age limit (21) who is financially dependent upon his or her insured parent or guardian because of physical or mental infirmity. However, such a person must have been a dependant of the parent or guardian before reaching age 21.

Refunds

Many young people 19 and 20 years of age who will now qualify as their parents' dependants are already paying premiums. Such persons may claim a refund of premiums which have been paid to cover them beyond September 1, 1965. The official announcement will contain a form which pay-direct members can use to obtain the refund.

The Commission is gearing itself to handle all requests for refunds as quickly as possible. Refunds, therefore, should be requested immediately, but even then it may take several weeks before the Commission can deal with the thousands of requests as each one must be handled invidivually.

There are thousands of pieces of literature in banks and hospitals around the province which indicate the former age limit of 19. Dr. Neilson pointed out that if the reader reads age 21, instead of age 19 as printed, that is all that is necessary.

About 99 per cent of Ontario's residents are now insured through this government-sponsored plan and almost one person in six is admitted to hospital each year. Every day, this year, benefits are being provided to a value of over $900,000 which will make the annual total something in the neighbourhood of $340 million.

Going to the bottom of things often lands a man on top.

One third of Canada's record 1963 apple crop of 21.3 million bushels came from B.C.

Ont. Development Steps Up "Small Business" Aid

Economics and Development Minister Stanley J. Randall said recently that the Ontario Development Agency will step up its program of free consultation to operators of small businesses.

Within the next few weeks, teams of ODA consultants will hold meetings with local businessmen in London, Kitchener, North Bay, Sudbury, Timmins and Sault Ste. Marie.

As an aid to the program, the Ontario Development Agency began distribution of a new 16-page booklet for small businesses entitled "Does Your Business Need a Check-up?"

The publication summarizes the major areas of management where many businesses have been deficient. It is based primarily on the observation of ODA consultants who have counselled more than 3,000 small business operators since 1963.

Mr. Randall said nearly 100 small businesses with annual sales of $9 million and employing more than 500 people have already taken advantage of ODA's advisory services.

"In Ontario we are fortunate in having a large number of very well run small enterprises, but too many firms are finding themselves in difficulties or are failing merely for lack of timely advice and guidance," Mr. Randall said.

The booklet is not intended to be a "how to do it" publication. Its sole purpose is to bring to the attention of small businessmen the vital importance of practising sound business techniques and of constantly reviewing their operations with a view to obtaining maximum efficiency.

"Far too many businesses seek our advice when it is too late to help them," Mr. Randall said.

He said that while attracting new industry is of prime importance, sometimes too little attention is paid by local organizations to the problems facing their existing industries. Thus, some of the advantages accruing from new industry have been offset by the unnecessary loss of existing plants.

The booklet is being sent to regional development associations, chambers of commerce, industrial commissioners, chartered banks and other financial institutions, and is available to businessmen across the province upon request.

THE BIBLE TODAY

Fairs are common in Thailand and vary from trade fairs to fairs in temple grounds. One fair is organized annually to raise funds for the work of the Red Cross; this year it was made an occasion to distribute the Scriptures, too. Thailand Bible House co-operated with several other Christian groups in arranging a pavilion for the sale of Scriptures and Christian literature. Some 50,000 "Lost and Found" (Luke 15) selections and Christmas Portions were distributed, and over 1,600 Scriptures were sold.

A memorial monument was built on the peak of the Tateyama Mountain in Japan last Spring with a New Testament deposited in its base. Two students who climbed the mountain in the winter did not return, and when their bodies were found in the Spring, in the pocket of one of them was found a New Testament with notes in ink on almost every page. The student's father, a high-ranking Buddhist priest of Kyoto, the Buddhist centre of Japan, built the memorial at the spot where his son died, leaving at its base the New Testament which he had been so earnestly reading and from which he had found comfort until his death. The priest himself then bought a Bible, which he is studying.

OF MANY THINGS

by Ambrose Hills

THE NEW MATHEMATICS

A professor of mathematics from the University of California has expressed doubts about the value of the new-match versions of set theory, non-decimal number systems and Boolean algebra. He believes the old approach of, "Here is a situation, think about it," may be a waste of time, because already there is too much effort spent thinking about mathematics rather than doing it.

What he has to say may be greeted with loud cheers by parents who find that helping with homework these days brings them into unfamiliar territory. It wasn't too hard, with the old system, although it could be boring.

Personally, I am delighted that new methods are being suggested and given a trial. It will be good for parents, too, and will force them to think instead of merely going through old patterns of reasoning.

I started out to be a school teacher in the days of the depression. I taught my first and second graders with a system of my own. Always a dunce at mathematics, I knew how difficult it could be. So I set up a small store in my country school and we used real money. The children thus learned decimals, fractions and addition and subtraction all at the same time. When the Inspector called, he was amazed and delighted with the grasp my youngsters had of the subject in these early grades.

It has always seemed to me that our public school system has been too rigid, and that it needs shaking up. I would like to see the school teachers themselves, through their societies, taking a far larger part in planning the curriculum. I believe they would do a better job than the Departments of Education do.

However, the main thing is that education doesn't become a stagnant thing. The world is changing rapidly and there should be room for change right down the line. Mathematics is not a sacred cow. Let's give the new ideas a fair trail.

Canadian Holsteins Win In England

The following is a report from the Guardian Journal, prominent English farm paper, of the Friesian classes at one of the major English cattle shows:

Cattle Breeders Given Shock

Three Canadian Holsteins win "firsts" at Derbyshire Show —

There was a shock for the cattle breeding world at the Derbyshire Show, on Monday, when three Canadian Holstein females, imported only in December, each took a first place in the British Friesian classes and also provided the breed champion.

They were the only three of their particular background at the show, being members of a group of 13 imported individually by eight private breeders. With one exception, it was the first time that any of the three had been shown in this country.

Moreover, the two of the three which were in milk were giving no less than 16½ gallons a day between them.

Both Messrs. T. Baddiley and Son, of Worksop, and Mr. J. C. Archer, of Ashbourne, who showed the three animals at the Derbyshire Show — believe that the extra size and fineness of the Canadian animals are dairying attributes which may be appreciated by the Friesian Breed in due course.

Baddileys have already had favourable experience of a Canadian strain in their herd which was imported in 1946. It produced a cow able to enter the milking trials at the Scottish Dairy Show seven years in succession and to win the Kelvin trophy, largely on yields over the three previous years, three times.

They still have a bull in their herd of pure Canadian descent.

They showed the Friesian champion at the show, the cow in milk, Kilton (imp. 65) Inka Carrie (Elmcroft Inka Dewdrop Carrie, bred by Elmcroft Farms, Beaverton, Ontario), which, after producing her sixth calf three weeks earlier, a heifer, was giving nine gallons a day. Her previous calf, Kilton (imp. 65) Dewdrop Colantha (Elmcroft Noel Dewdrop Corliss), was first in the yearling heifer class.

Top of the heifer in milk class was Mr. Archer's Pinxton (imp. 65) Meg Burke (Misty River Meg Burke), bred by McGriskin Bros., Oakwood, Ontario. She calved three months before the show, a heifer, and was still giving her peak yield of 7½ gallons. The results of two butterfat tests had produced an average of 4.25 per cent.

Being a lighter type of animal — "more dairylike", said Mr. Archer — she was carrying no spare flesh at all after her performance "at the pail" and provided an interesting contrast with the more thickset type of Friesian which is now more common.

The contrast was also to be seen between Baddileys' Inka Carrie and their Kilton Sylvia 45th which is a champion of many shows this year and last. By the side of Carrie, she looked every inch a "Dutchman", although there is no Dutch blood in her.

(Mrs. Arthur Pyear)

Friends and neighbours gathered at the Church Hall on Friday evening for a social time with Mr. and Mrs. George Grills (nee Gayle Whitton) newlyweds. Lyle Couch was chairman for a short program. Fred Keating read an address and a floor lamp and matching table lamp were presented. The honoured guests made suitable replies. Lunch was served and a social time enjoyed.

The August meeting of the U.C.W. was held at the home of Mrs. Clayton Stapley with a good attendance, on Thursday afternoon. Mrs. Douglas Pyear, 1st Vice-President was in charge of the opening and business and Mrs. Archie Bailey and Mrs. Arthur Couch presented the program. Mrs. Vernon Harry gave some interesting views of her recent trip to the East Coast and Suzanne Bailey told of the Indian signs and relics seen on a trip up an Indian trail near Belmont.

Mrs. Ray Hagerman and daughter, Sandra, and Mrs. Harry Brown and daughter, Mrs. Reg. Parks, were co-hostesses at the Church Hall on Saturday evening for a bridal shower in honour of Miss Nellie Visser, an August bride-to-be. Mrs. Brown was chairlady and opened the programme with group singing. Patricia Stapley, Sandra Hagerman and Mrs. Brown played piano numbers. Mrs. Douglas Pyear and Mrs. Archie Bailey gave readings. Several games and contests were conducted. The honoured guest was seated in a decorated chair and Sandra Hagerman read an address and the gifts were presented from a decorated table. After unwrapping and viewing the gifts Nellie expressed her appreciation. A bride's book had been prepared and the guests signed it. A delicious lunch was served by the hostesses.

Son-in-Law Charged In Double Murder

William Hugh Beattie, 24, Smiths Falls, Ont., has been charged with capital murder following the deaths Saturday night of a 57-year-old man and his eight-year-old daughter in Crow Lake, Ont., about 30 miles north of Kingston.

Milton Barker and his daughter Sharon died from shotgun wounds. Mr. Barker's wife, Helen, 46, is in hospital in Ottawa.

Beattie, son-in-law of the Barkers, was charged Sunday.

Man Beaten In Fight Dies In Hospital

A man who was beaten when he intervened in a fight among four men Aug. 7 died of head injuries Sunday.

Carl Smith, 39, of Glenburnie, Ont., had been in a coma since the attack, which occured outside a service station in Westport, about 30 miles north of Kingston.

Police said the fight appeared to involve a parking spot and that Smith had been in an argument with several persons just outside of town shortly before.

Joseph Michael White, 33, of Brockville, John Mark Cowley, 23, of Ottawa, Harold George Renaud, 27, of Westport and Robert Edward Speagle 23, of Montreal have been charged with assault causing bodily harm.

The men are to appear in Brockville court.

Rylstone U.C.W.

Mrs. Fred McKeown was hostess to Rylstone United Church Women, at her home at Spring Brook, on Wednesday, August 11th, with ten ladies and one child in attendance.

Mrs. Wilfred Spencer, president, was in charge of the devotional part opening with a poem and a prayer. A hymn was sung and Scripture selections were given by Mrs. S. G. Meikle-john, Mrs. Ellis Jones and Mrs. Fred McKeown.

Mrs. Spencer conducted the meditation on "envy". Mrs. Austin Dunk gave the Bible Study on "envy" and Mrs. Ray Stewart read a short Scripture selection. Roll call was answered by a Bible verse containg "harvest".

An invitation was read from Stanwood U.C.W. to their afternoon tea.

Mrs. Ross Dickie was convenor for the few programme items, as follows: reading, "Love One Another", by Mrs. Fred McKeown; a selection from the "Observer", by Mrs. Thos. McKeown; reading, "Why I Go To Church", by Mrs. Jas. Legge; "The Country Fair", by Mr. Ross Dickie. A flower contest was conducted by Mrs. Dickie and the meeting closed with the Hebrew Benediction. Refreshments were served by the hostess.

Let's Have The News

The summer season is here and it brings a steady stream of visitors to the community, while scores of local residents are holidaying at other points.

Every one of these visitors is a news item of interest to at least some of our readers and we are very anxious to receive these items. Send them in, or bring them in, phone them in, or if you live in the country, let your district correspondent know.

Entered Into Rest

MRS. CLINTON RUSHNELL

After an illness of two years, Mrs. Margaret Elizabeth Rushnell, of 109 College Street W., Belleville, died on Tuesday, August 17th, 1965, in the Belleville General Hospital. She was in her 56th year.

Born in Crookston, the daughter of the late Mr. and Mrs. Robert Wood, she resided in Belleville for the past 15 years, after moving from R.R. 2, Halloway. Educated in Rawdon Township and Stirling, she attended Christ Church.

Mrs. Rushnell is survived by her husband, Clinton; three sons, Donald, of Belleville, Ronald, at home, and Douglas, a Trenton funeral director; one daughter, Anna, at home; two brothers, Robert Wood, of R.R. 2, Halloway, and Findlay McCallum, of Belleville; one sister, Mrs. Clarence (Gertrude) Rushnell, of R.R. 5, Belleville, and seven grandchildren.

Resting at the Thompson Funeral Chapel for services on Thursday at 2.00 p.m. Rev. Allan Lauder will officiate and interment will be at Belleville Cemetery.

Stirling Junior "D" Squad Evens Zone Finals Against Sydenham

Won Second Game Here Saturday Night 10-7—Play Final Game Here Saturday

After taking a 14-2 shellacking in Sydenham, Stirling Junior D's rebounded to even their series by handing the visitors a 10-7 defeat at the local diamond on Saturday night. Errors played a big part in the Stirling victory, combined with clutch pitching by Jeffs.

Sydenham plated two runs in the first on a hit, a passed ball, a walk, and an error. They upped the count to 5-0 in two errors, a walk and a triple by Leonard.

Stirling narrowed the count to 5-3 on a pair of errors, a double by the pitcher, Jeffs, and two passed balls.

Stirling added four in a free-wheeling sixth on a lead-off homer by Donohoe. Potts reached first on a dropped third strike, advanced to second when Irvin struck out. Smith also got on on a dropped third strike and Jeffs drew a walk and all three scored on passed balls.

Three more errors and two passed balls gave Stirling another run in the seventh.

Sydenham bounced back in their half of the eighth on a lead-off homer by Norman, a single by Stevenson, a passed ball and a single by Kempt. Another dropped third strike put Jeffs on base in Stirling's half of the inning, a walk to pinch-hitter Wrightman, and a double by Faulkner accounted for two more runs to make the final score 10-7 for the locals.

Jeffs scattered seven hits, whiffed 11 and issued 1 free pass to get credit for the win. Norman gave up 10 hits, fanning 7 and giving up 4 walks on the Sydenham rubber.

"At Home"

Mr. and Mrs. J. Melville Donnan, Stirling R.R. 2, will be at home to friends, relatives and neighbours on Thursday, August 26th, 1965 from 2 to 4 in the afternoon and 7 to 9.30 in the evening, on the occasion of their 40th Wedding Anniversary.

Rushed To Hospital

Mr. Will Donald, R.R. 1, Harold, was rushed to Belleville General Hospital by City Ambulance, Belleville, on Tuesday afternoon of this week.

Junior Softball Final Here Saturday

Announcement has been made that the final game in the Junior "D" Softball Zone finals with Sydenham will be played here at the Henry St. diamond, Saturday, August 28th, at 8.30 p.m. The local boys played heads-up ball here last Saturday night and came up with a win to even the series.

District sports' fans are urged to give their financial, as well as vocal, support to the local team by attending the game this Saturday night. You will be rewarded with a good game of ball.

Hort. Society Holds Garden Tour

On Monday of last week, the Stirling Horticultural Society sponsored a potluck dinner at Coronation Park, Stirling, with 21 in attendance.

Kalvin received the Bank of Montreal silver tray.

Ladies' Doubles Tourney Held

Stirling Pair Were First In Three Game Competition; Twelve Pairs In The Draw

With the greens in splendid condition, twelve pairs of lady bowlers participated in the lawn bowling tournament here on Friday afternoon.

Three games were enjoyed and the draw was made up of three teams from Peterborough and Belleville, two from Stirling and one each from Campbellford, Madoc, Brighton and Trenton. Miss Rosa Spry conducted the draw.

Mrs. Mabel Brooks and Mrs. Florence Hough proved to be the best bowlers on the day's play and won three games with a score of 43 plus 11, and were presented with sets of oven bowls as prizes.

The prize for two wins went to a Brighton pair of Mrs. Allen and Mrs. Williams with a count of 40, plus 5. They received pillowcases as prizes.

The prize for one win went to a Belleville entry of Mrs. Lil Mascaro and Mrs. Grace Clapp. Pastry containers were awarded. Mrs. Lil Hermon and Mrs. Lil Ashley, also of Belleville, won the no game high and were given towel sets.

A pot-luck supper was enjoyed at five-thirty o'clock.

Historians Call In Area

Several people recently received calls in Stirling and River Valley (including the office of the Stirling News-Argus) from historians Mr. and Mrs. Jas. Sager, Passadina, Texas, and Mr. and Mrs. Robert Kirk, 170 Thomas St., Streetsville.

Mr. Sager, who was interested in the Sager family research, is the grandson of Mr. Jas. Sager, born in Prince Edward in 1845. His trip was planned to get acquainted with cousins of the same ancestors, many of whom, he said, helped in pioneer days, to build this wonderful Canada. Mr. and Mrs. Kirk were researching on the Richardson family in Sidney and Rawdon. Both were interested and helpful in the recent River Valley Cemetery project. They found the River Valley Tweedsmuir History informative and also gave its curator new and helpful information.

Mr. and Mrs. Denton Shortt Honoured

On Saturday evening, August 7th, a large number of friends and relatives gathered at the I.O.O.F. Hall to honour Mr. and Mrs. Denton Shortt on their recent marriage.

The guests were greeted at the door by the bride and groom.

Lorne Watson, master of ceremonies for the evening, opened the programme with a few well-chosen words, congratulating the young couple. Grant Richardson led in community singing, accompanied by Mrs. Lorne Watson. Mrs. Harold Elliott rendered a piano solo. Miss Anne Watson accompanied the vocal selections, given by Mr. and Mrs. Grant Richardson and Miss June Watson. Readings were given by Miss Carol Richardson and Mrs. Bill Heath.

On behalf of the community, Mrs. George Sutherland read an address and the gift of a swivel rocker was then presented by Bob Cooney

Denton and Sandra replied, thanking everyone for the gifts and the evening given in their honour.

Local Merchants And Fair Board Co-Operate To Boost Stirling Fair

Genuine Sales Are Planned By Merchants—Free Draw To Be Held For A Pony

Considering the number of small communities to-day, who no longer have a Fair, Stirling and the surrounding community can be justly proud of the small group of people who work so hard to provide an agricultural show.

It is impossible, of course, for a small community to compete with neighbouring larger centres, who seem to have unlimited funds at their disposal. The local Fair Board and the exhibitors are to be highly commended for their efforts.

Western Games Competition

This year, the Fair seems to be placing impetus on a different type of show horse and Western games, with racing, saddle and riding horses. This should prove most interesting.

There will, of course, be the usual large entries of the best in other livestock, vegetables, fruits, cooking and various craft work.

Merchants Plan Co-Op Advertising

The merchants of the community have co-operated, with this paper, in providing advertising for Fair events, by supplying a News-Argus to every home in the area. The bargains in the stores are provided for our customers, not only on Fair Day, but for the entire week preceding.

These are truly good values, unlike sales in some communities. These prices are not marked up to give the customer the illusion of a sale.

Remember, Stirling Fair is not merely a show by the Fair Board. It is the push and boost of every person, whether in town or in the country. It is a community project.

The Stirling merchants have also planned various activities during Fair Week — August 27th to September 4th — which will include a western village atmosphere, along with a deputy sheriff. The merchants are planning to decorate their stores in a Western theme.

Draw For Pony

All participating merchants will have free tickets available next week on a draw for a pony. These will be given out free with purchases.

Parade Downtown Saturday Morning

A parade downtown of all the western horses is planned for Saturday morning, September 4th at 11.00 a.m. This will be something new for Stirling and a large crowd is expected to line the parade route. A good band will lead the parade.

Stirling Fair Saturday, Sept. 4th

So come to Stirling during Fair Week and plan to attend the Fair on Saturday, September 4th. Don't forget the big George Wade dance at the Fair Grounds Fair night.

Buys Home

A real estate deal of interest was completed on Saturday when Mr. and Mrs. Earl Dunkley purchased the residence belonging to Allan Thompson, Mill St. The deal was completed by Floyd Bartlett, of Grant Real Estate Ltd.

Bingo Planned At Fair In Aid of Tennis Court

Members of the Stirling Rotary Club, along with several Rotary Anns, will operate a Bingo this year at the Stirling Fair. Proceeds from this venture will go to the proposed tennis court to be built at the Henry St. Park.

John Sheridan Has Grand Champ At C.N.E.

John Sheridan's entry of Golden Riddel, from Stirling, won this year's grand champion stallion award for standard breds at the Canadian National Exhibition, Toronto.

Legion Pee Wee All-Stars In Legion Zone Play-Offs

Stirling's Legion Pee Wee All-Star team has been entered in the Legion Zone Play-offs and will play a round-robin series with Marmora and Consecon.

The winner of the round-robin series will then represent the Zone in The Legion District Finals to be played in Cobourg on Saturday, September 18th.

Stirling home games have been scheduled under lights for Thursday, September 2nd and Thursday, September 9th at 8.15 p.m.

The complete round-robin schedule is as follows:

Sat., August 28 — Consecon at Marmora — 2 p.m.
Thurs., Sept. 2 — Marmora at Stirling — 8.15 p.m.
Sat., Sept. 4 — Marmora at Consecon — 2.00 p.m.
Sun., Sept. 5 — Stirling at Consecon — 2.00 p.m.
Thurs., Sept 9 — Consecon at Stirling — 8.15 p.m.
Sun., Sept. 12 — Stirling at Marmora — 2.00 p.m.

Having played fine ball in the Hastings Pee Wee Tournament, it is hoped this team will continue their good play and perhaps win the Zone Trophy and the right to represent the Zone in the District Play-off at Cobourg.

Bridges, of Perth, visited Mr. and Mrs. Carl Bridges and were gusets at the Bridges—Smith wedding, which was solemnized in Halloway United Church on Saturday afternoon.

Mr. and Mrs. M. Clancy and Lloyd visited the O'Hara Mill Park on Sunday and saw the mill in operation.

Lin Stapley has been spending part of his summer holidays with Mr. and Mrs. Bryce Philp.

Mr. and Mrs. Clarence Fitchett visited Mr. Wm. Irvin and Miss Myrtle Irvin, in Tweed, on Sunday evening.

Newlyweds Honoured

On Friday evening neighbours and friends in the Madoc Junction community gathered at the home of Mr. and Mrs. Forde Stapley to honour Mr. and Mrs. Robert McGee (nee Beverley Stapley) on the occasion of their recent marriage.

During the early part of the evening, there were games and contests. Reading were given by Mrs. F. Smith and Mrs. C. Fitchett.

Miss Sharon Reid read an address expressing best wishes and signed on behalf of the community by Isabelle Prest and Sharon Reid.

Beverley and Robert, who had been given chairs near the dining-room table, then opened the many prettily wrapped parcels. These contained lovely and useful gifts, for which each expressed thanks.

Messrs. B. Stapley, K. Johnson, C. Fitchett and F. Stapley were called on and responded with brief speeches.

Lunch, coffee and lemonade were served and a social hour enjoyed.

Bridges -- Smith Wedding

Halloway United Church was the scene of a lovely wedding on Saturday, August 14, at 2.00 p.m. when Lois Delma Smith, daughter of Mr. and Mrs. Harvey E. Smith, of Halloway, was united in marriage to Paul Bruce Bridges, son of Mr. and Mrs. Carl Bridges, Halloway, R.R. 2. Rev. C. Gilbert, of Foxboro, officiated at the ceremony.

Miss Heather Grant played traditional wedding music and accompanied the soloist, Mrs. Robert Hough in selections before the ceremony and during the signing of the register.

Given in marriage by her father, the bride wore a floor-length organza over taffeta wedding gown, featuring a molded lace bodice with square neckline and long lily-point sleeves. A flowing chapel train was accented at the back with a large bow. A finger-tip veil of silk illusion tulle was caught by a coronet of tiny seed pearls. She carried a bouquet of red roses and trailing ivy.

The bride's only attendant was her sister, Miss Linda Smith, who wore a street-length dress of aqua silk organza over taffeta with white hat and shoulder length veil, white accessories and a corsage of white Shasta daisies.

Mr. Thomas Bridges, brother of the bridegroom, was best man and Mr. Douglas Smith, brother of the bride, and Mr. Ivan Reid, both of Halloway, were the ushers.

A reception was held in the church hall where the bride's table was centred with a three-tier wedding cake, topped with miniature bride and bridegroom beneath an arch of white roses. The bride's mother received the guests wearing a two-piece brown linen sheath dress with beige accessories and a corsage of orange-gold carnations. She was assisted by the bridegroom's mother, who wore a green linen sheath, beige accessories and a corsage of orange-gold carnations.

For a wedding trip to Stratford and points west, the bride chose a blue nylon over taffeta dress, white accessories and a corsage of baby blue 'mums.

Upon their return Mr. and Mrs. Bridges will reside at 84-A Geddes St., Belleville.

THEY'RE DOING SOMETHING ABOUT THE WEATHER

In Canada everybody talks about the weather, but it would hardly be true to say nobody does anything about it.

The meteorlogical branch of the Department of Transport is doing quite a bit about the weather, keeping careful records of the highs, lows, means and extremes from Herschel Island to Cape Sable.

Although their labours haven't done much to change things, the statistics may be of some comfort. Because the branch's' climatic tables indicate that no matter how bad the weather is, it could almost certainly be worse somewhere else.

Those who don't live in Ottawa, for instance, may be heartened by the fact that below-zero weather has been registered in the capital city six months out of twelve.

Or consider Regina, where extremes range from 110 degrees in summer to 56 below in winter, and wind chill temperatures has equalled 100 below. That's a spread of 200 degrees.

Be glad you don't live in Fort Simpson, North West Territories, with a high of 97 and a low of 69 below. Or Cambridge Bay, where it has been 31 below in May and 25 below in October.

When it comes to weather, Canadians seem to have the worst of both worlds, with sizzling summers and wailing winters.

It's the perfect days — as scarce as they are — that make the rest of the year bearable.

NO PARADISE ACROSS THE STREET

Ask anyone in a small town what he would like about living in the big city, and he'll probably talk about theatres, hockey games, wrestling matches, night clubs and the like. He may point out that any night of the week there is something doing for those fortunate enough to live in the city.

Ask any big city man what he would like about living in a small town and he'll probably tell you about restful living, good fishing a few minutes' drive from home, and the pleasure of talking over the fence with the neighbours.

In practice, however, it doesn't always work out that way.

After a hard day at the office and a tough battle with traffic on the way home, the city man is often too tired to take in a night at the opera or an evening on the town. More than likely he putters around the house and he may even get to talk to the neighbours across the back fence.

The small town fellow often finds himself so involved in good works and the social round that he doesn't have time for fishing or the life of leisure. He probably has meetings to go to which keep him out most nights of the week.

It all goes to show that you shouldn't expect to find paradise on the other side of the street.

The good life is where you find it. And, as the fellow said: We might as well be here as where we are.

Car Blows Tire, Marmora Girl Hurt Internally

A Marmora girl is in Peterborough Civic Hospital as a result of an accident on the Crowe Lake to Marmora Road at 7 p.m. Sunday.

Miss Carol McKeown, 19, daughter of Mr. and Mrs. Leslie McKeown, of Marmora, was driving home from Crowe Lake, with her sister, two-and-one-half-year-old Robin, when the car which she was driving blew a tire and went out of control, ending up in the ditch.

Miss McKeown was taken to Dr. Parkin's home in Marmora and from there, she was taken to hospital in Peterborough by Howden's Ambulance. She is believed to be suffering internal injuries.

Her sister, Robin, is at home and suffering from bruises and a bad bump on her forehead.

The car is a total wreck.

7 In Family Hurt In Foxboro Mishap

A planned outing to the Canadian National Exhibition was violently cut short Sunday night for a Gilmour family in a Highway 14 smash, near Foxboro.

Some seven persons were hurt when the family panel truck of 40-year-old Burton Baker and two other automobiles collided south of the Madoc County Road intersection.

Bruce Baker, 11, was rushed to Kingston General Hospital with critical head injuries, after he was reported thrown from the truck.

His mother, Bernice Baker, 39, suffered multiple face cuts while 72-year-old Harry Mullett, of Crookston, received a fractured leg. Both were admitted to Belleville General Hospital.

Mr. Baker, Burton, 16, and Elizabeth, 12, and 14-year-old Judy Oleksek, also of Gilmour, and travelling to the CNE with the family, were all released after emergency treatment at Belleville General Hospital.

Driver of the third car, Lloyd Jenikns, 67, of Harold, was uninjured.

Full details of the cause of the mishap were not learned. Police said the Baker vehicle was southbound toward Highway 401, while the two automobiles were northbound.

The Baker truck and Mullet's car were heavily damaged.

Sport Notes

(By Bob Taylor)

Crookston advanced to their zone finals in the O.A.S.A. Int. "D" playdowns by defeating Eldorado two games to one. They also defeated Thomasburg three games to one to advance to the Tweed District league finals against Tweed Juveniles.

Spring Brook Young People lead the Stirling District Y.P.A. league with 19 points as of August 20th. Glen Ross is second with 11, followed by Sidney with 2. Sidney has been faced with a morale problem for most of the season but are capable of pulling an upset in the playoffs. Glen Ross is an unpredictable team but since the recent tournament they have started to play alert ball. Spring Brook is as strong as they were last season and could win their second championship is as many years.

TOTS AND THE TELEPHONE

Any Stirling parent knows the magic that the telephone holds for children. Learning to use the telephone properly, like learning to do many other things in the home, can be taught with a little pre-planning. Here are a few tips to help your youngsters use the phone correctly and courteously:

1. MAKE IT FUN TO LEARN: Teach your child how to answer the telephone promptly and in a friendly way.
2. MAKE A FEW BASIC RULES — (and stick to them!): Explain to the children that their calls should be brief, that they should speak directly into the mouthpiece (and not shout), and that the receiver should be put down gently.
3. PRACTICE MAKES PERFECT: Let your child call a friend, grandma or other special relative under your supervision.

Using the telephone can build a child's confidence, expand his "social graces," and help him communicate effectively. Its "magic" can also be used advantageously to help instill in children those qualities of respect and responsibility that will ultimately mark them as mature adults.

KITCHEN FAVOURED

Milady's kitchen, which replaced the hall in 1959 as the most favoured location for the telephone, is still the front runner according to the Company's latest study of customer attitudes and preferences: 42% of customers had telephones in the kitchen — almost twice as many as in the hall. (In 1958, the proportion was 33% hall, and 31% kitchen.) Other preferences today: living room, 19%; bedroom, 15%; dining room, 7%.

The study also shows that extension phones are found in one out of five homes and that 38% of residence customers have telephones in colour.

CLEANING PROBLEM?

Occasionally, the question arises as to the best way to clean a telephone. The answer is quite simple: a damp cloth keeps any phone clean and shining. Never clean your telephone with soap and water, as water may penetrate into the set and put your service out of order.

Incidentally, the outer plastic shell doesn't require any special waxes or polishes — it's "self-shining"!

OF MANY THINGS

I'LL TAKE GINGER SNAPS

Advertising men have fallen into a trap set by themselves.

For years they stressed newness. Everything from toilet paper to dill pickles had "new" on the lavel. One advertising man read the other and did the same thing, thinking a craze had begun.

No craze was there. Most of us still want good, old-fashioned ginger snaps. The National Biscuit Company tried to market a product hailed as "Snickerdoodles Cookies — they're NEW!" The campaign fell flat. A sensible executive changed the name to plain "Cinnamon Sugar Cookies", backed it with a big advertising campaign. Result: sales rose by $4,000,000 within a year.

Cleverness often flops in advertising. For example, so many gasolines with fancy esoteric additives dreamed up by advertising types. The public has ceased to believe them. BA Oil got a tremendous response when they simply said they had clean gasoline and clean washrooms and proved it. It made sense and drew customers.

Advertising agencies are going to have to bring their writers down from kooky cleverness which has been characteristic of their copy lately.

If I ran a Corporation, I'd insist that a lot of my advertising dollars went into weekly papers and local radio. This would force the agency writers to talk to the grass roots for a while. It would get them away in part, at least, from the pseudo-sophisticated and glossy copy they've been perpetrating on TV audinces because they think it's' a glamour media.

Industry has done a fine job of improving products. The food industry in particular deserves success, because a family today can feed itself on a much smaller percentage of family income than ever before, even though prices seem high. Advertising — an important link in getting goods to the people — isn't holding its end up. It talks a bogus language. Agency presidents ought to do something about it — but fast!

VIVACIOUS VOCALIST

Talented and beautiful Eleanor Collins presented her highly individual song stylings every other Wednesday evening on the summer CBC radio series, Sound of the Sixties.

4-H Leadership Activity Growing

According to records at the Canadian Council on 4-H Clubs' head offices in Ottawa, Canada's 4-H Club program and its recent growth picture is attributed mainly to an increase in leadership enrolment.

The leader acts as the local 4-H Club organizer, in close association with the County agricultural extension representatives. The 4-H member thus gains a guide, a counsellor, a teacher, and a friend as well as an organizer.

All 4-H leaders in Canada work voluntarily. Each is resident of the community in which the club is located, interested in young people and willing to devote time and thought to their guidance. As contact persons between the agricultural extension services and club members, they hold a key position in the club program. They may be farmers, homemakers, teachers, clergymen or professional businessmen who have the respect and confidence of the club members and the community, and the welfare of both at heart.

After a local club is organized, the leader finds himself involved in a variety of activities. They include: attending and guiding meetings, instructing project work, organizing demonstrations, field trips, judging contests, tours, picnics, achievement day activities, public speaking and meetings with parents. In 1964 a total of 13,843 community-minded people served as leaders of the 5,759 local 4-H Clubs in the ten provinces.

The 4-H Club leader is fittingly recognized by the movement as a vital link in a national educational chain designed to influence young people in developing their talents and in assuming leadership responsibilities on the farm, in the home and in community endeavours.

Mosquito Bites Growing To Size Of Baseball

Chicago — A farmer's son develops lumps as big as baseballs.

A St. Louis pediatrician says he's "never seen it so bad."

A university professor says, "I've never heard so many people complaining."

The incidents concern flood water mosquitoes that breed best under spring flood waters.

Thousands of acres of rich farmland were swamped this spring when the Mississippi River flooded its banks from Minnesota to Kentucky. The flood waters receded but left an irritating legacy — mosquitoes.

Mosquito outbreaks have been reported in Illinois, Missouri and Kentucky.

Adding to the complaints is the fear the mosquito-born encephalitis (inflammation of brain), which killed several persons in Illinois last year, may break out again.

Officials in St. Louis describe the mosquito infestation as possibly the worst in modern history.

Dr. Raymond Hellweg, 33, a St. Louis pediatrician, said he and his colleagues have "never seen it so bad."

"Instead of little lumps, some of the bites cover quite large areas," he said. "A few are as large as baseballs."

My Favourite Story

The defandant was in court for having slapped a woman. The judge asked him to explain his conduct.

"Well, sir, it happened this way," he said. "This woman got into the double-decker bus. She saw that the conductor was a few seats away, so she opened her bag, took out her purse, shut the bag, opened her purse, took out the money, shut the purse, opened her bag, put in the purse, and shut the bag. But she found that the conductor was going upstairs, so she opened her bag, took out her purse, shut the bag, opened the purse, put back the money, shut the purse, opened her bag, put in the purse, shut the bag, and followed the conductor upstairs. When he was coming near her, she opened her bag, took out her purse, shut the bag, opened—"

"I you don't shut up, I'll slap you!" cried the pudge.

"That's exactly what I did, sir!" was the defendant's reply — The Rotarian.

Getting up early is merely a question of mind over mattress.

For That Extra Bounce

A wealthy oilman cashed a huge personal cheque which came back from the bank with Insufficient Funds stamped across its fale. Under the stamped words was a hand-written notation: "Not you — us."

LEGISLATIVE ASSEMBLY

Select Committee on Conservation Authorities

The Select Committee appointed by the Legislative Assembly of the Province of Ontario ". . . to inquire into and review the provisions of The Conservation Authorities Act and such other Acts of this Legislature relevant to the powers exercised by conservation authorities as the Committee may deem appropriate

"And that without limiting the generality of the foregoing to inquire into and review the following matters:

(a) the constitution and powers of conservation authorities including the number and method of appointment of members;

(b) the system of financing the work of conservation authorities and the ability of local municipalities to pay for their share of conservation schemes;

(c) the power of conservation authorities to acquire or expropriate lands and the methods used therefor;

(d) the administrative practices and methods of conservation authorities in carrying out their responsibilities under The Conservation Authorities Act."

Conservation authorities, municipalities, associations and individuals are invited to present submissions.

Submissions should be filed with the Secretary by October 15th, 1965. Hearings will commence subsequent to that date.

Secret diplomacy is never secret long and seldom diplomatic.

"A man and what he loves and builds", wrote the English historian George Macaulay Trevelyan, "have but a day and then disappears; nature cares not — and renews the annual round untired. It is the old law, sad but not bitter. Only when man destroys the life and beauty of nature, there is the outrage."

HASTI-AGRI-GRAM

THE FARM NEWS LETTER OF HASTINGS COUNTY

Ontario Department of Agriculture, Stirling, Ontario

DROUGHT ASSISTANCE

Information dealing with the drought assistance program for livestock farmers has now been prepared. Over 2,500 application forms and information sheets have been mailed to Hastings County farmers. The mailing list was prepared from postal directories. No doubt someone will be missed but extra application forms are available at the Stirling office of the Ontario Deparment of Agriculture.

Those farmers who require assistance with their feed supplies will have to follow the instructions. The first step is to complete, in full, the application form. This application must be witnessed by a properly appointed commissioner of oaths. In practically every case, this can be done by the Clerk of the Township. The sooner the forms are completed as per instructions, the sooner the applicant will know where he stands on the matter of assistance on feed supplies.

CORN CIMPETITION

This year the Corn program in the Quinte area will feature a Grain Corn Day in October. Tied in with this are High Yield Corn Competitions in the four Quinte counties. In Hastings, the Soil and Crop Improvement Association sponsors the County Club. Originally the entry date was called for July 1st but to be more in line with the other Quinte counties it has been re-opened and additional entries will be accepted up to September 1st. Aside from the value of the competition in the field of crop production information, the idividuals who compete will have opportunities to win in a rather good prize list. The top award will be the Quinte Corn King which brings $100.00 wrist watch. Other prizes are all cash of considerable value. Entry forms are available from the Agricultural Office, Stirling.

August Meeting of Chatterton W.I.

The August meeting of Chatterton W.I. was held at Mrs. Clayton Reid's. Mrs. DeMille, the president opened the meeting in the usual way and gave a short reading.

It was decided that the members would go to "Maple Inn" at Bloomfield for dinner and possibly tour one of the plants in Belleville in order to celebrate their 60th anniversary in September.

It was decided to continue giving a cup and saucer for regular attendance for the year.

Mrs. Gerald Irvine read an article taken from the Intelligencer, written by an American, thanking his neighbours to the North for being so kind and helpful to him and his family while in this district. Current events were given by Mrs. Floyd McInnes. The reading, "Look Alive" and "The Wise Way" were given by Mrs. Harold Reid.

The topic "Citizenship" was read by Mrs. Gerald Irvine. She stated that the purpose of our schools and churches was to raise up citizens to be leaders of our society so they are fair to all. A reading, "How Can I Teach My Child To Be a Citizen of the World", was also given.

A game and contest were enjoyed by all. Lunch was served.

Eggleton U.C.W.

The August meeting of the Eggleton United Church Women was held recently at the Church with seven in attendance.

Mrs. Harlow opened the meeting by reading an article, "Resolutions", followed by the hymn, "Praise Him".

The Worship Service was conducted by Mrs. S. Prest, Mrs. Harlow and Mrs. Fitchett.

Little Mary Nelson gathered the offering which was dedicated with a prayer by the president.

Mrs. Bruce Stapley offered her home for the September meeting with the programme to be prepared by Mrs. Wm. McMullen.

The Community Friendship secretary reported on cards sent and visits

The travelling aponr will be at the September meeting and the members will finish putting on the patches. The members will also hand in nylons.

The guest speaker, Mrs. Raymond Chambers, gave an interesting address, basing her remarks on II Kings Chapter V; the story of the little Israelite girl and Naaman, who was cured of leprosy.

The meeting closed with the hymn, "Father, Lead Me Da yBy Day", and prayer.

Wellman's W.I.

The regular August meeting of Wellman's W.I. was held at the home of Mrs. Carl Clancy with twenty adults and several children in attendance. The meeting opened with the Opening Ode followed by the Lord's Prayer. Roll call was answered by "My Grandmother's Hobby".

The Secretary read the report and the business was dealt with. Mrs. Burton White will be the leader for the Fall 4-H Homemaking Club. A bake sale will be held in August.

Mrs. Fleming, Mrs. Craig Watson, Jackie Fleming and Karen Clancy paid into the birthday box and "Happy Birthday" was sung. Mary Akins gave the current events. Mrs. Carl Clancy gave the motto, "In youth we learn, in age we understand". Mrs. Craig Watson gave a piano solo. Miss Mary Akins gave a reading, "My Grandma".

Misses Virginia Pollock and Judy Merrill sang a duet. Mrs. John Carlisle gave a reading from a newspaper clipping of a Stirling W.I. meeting held over fifty years ago at Mrs. Faulkner's. Miss Emma Rainie gave the topic, "My Wardrobe When a Teen-Ager". The friendship jar was passed. Mrs. John Carlisle conducted a contest.

The meeting closed with the Institute Creed and the singing of the Queen. Lunch was served by the hostess and her assistants. A vote of thanks was moved for hospitality and those on the programme.

THE BIBLE TODAY

The Church must play a much larger part in Scripture distribution if God's Word is to be made available to all men. This new emphasis is seen in practice in Egypt.

The Bible Society in Egypt discontinued distribution through colporteurs altogether in 1964. The churches, on the other hand, and individual volunteers are being encouraged to engage more actively in distribution.

The Orthodox Coptic Church has been taking the Good News to villagers in remote place who were drifting away from Christianity. Their work now extends to 1,780 villages, with 48-full-time workers to serve them, paying each village at least one visit every two weeks. To encourage such work the Bible Society contributed more than 42,000 Portions and Selections last year.

The illiteracy and Bible Study campaigns of the Evangelical Coptic Organizations for Social Services have also used several hundreds of Scriptures.

A further step forward in the endeavour to get the Scriptures into men's hands has been contact with commercial bookshops. Several now stock Scriptures along with their other books.

A Letter to the Citizens of Stirling and District

I just thought I would drop you a line to let you know all about what is going to take place in "Dry Gulch Stirling" from August 26th to Saturday, September 4th, the day of Stirling Fair.

All the Merchants who perspired to make one of these Special Ads. are puttin' on the greatest whingding of a sale that Stirling has ever seen. Be sure to buy lots of things you need during Rare Deal Days. If you need more money, see Les.

Every time you buy something from one of these perspiring storekeepers you get a ticket on the pony that will be given away. The draw for the pony will take place at the Four Corners at 9 p.m. Friday night, September 3rd. Be sure to be in town for the Lucky Draw. But please, don't bring your guns to town.

During Rare Deal Days, the storekeepers will wear white cowboy hats every time they venture on the street. It has been rumoured that any merchant caught by the Sheriff not wearing his "Stetson" will be arrested by the Sheriff and pinched two bits; also the wrongdoers will have to sing a song at the Four Corners, before the draw for the pony.

After all the loot you save shoppin' in town from August 26th to September 3rd, comes Saturday, September 4th — the day of Stirling's Big Western Style Fair. This will be the greatest Fair that we have ever had in this neck of the woods.

Be sure to see the Parade of all the Western Horses and Riders, also other horses, at 11 a.m., downtown on Saturday. The parade will be led by a good band.

Come to the Fair, see the Road Races, Horse and Cattle Shows and Displays of all kinds. See and hear the Nashville style stage show featuring Della Post and the Cedar Valley Boys. Have fun on the big Robertson Midway. See the 4-H Clubs Achievement Day; also the newest feature of the Fair — the Western Games. This last attraction will last all afternoon and no other Fair in the area will have this feature.

Wind up the Fair Saturday night dancing to the famous music of Geo. Wade (Canada's King of the Callers) and his Corn Huskers, from Toronto — modern, oldtyme and rock and roll dancing. If you don't dance come and listen. Bring the kids, they will like it, too.
